This letter confirms that Quality Vans and Specialty Vehicles is the sole source supplier of the 190-03 Ford Transit SWAT vehicle. Our business is highly experienced with the design and manufacturing of specialty vehicles for law enforcement. Quality Vans and Specialty Vehicles has specifically designed and tailored schematics for the Mesquite Police Department, and our business is the sole source for the design, manufacturing, fabrication, and production of this specific van with the specific features listed in the quote provided. This vehicle is fabricated with certified technicians and AWS certified structural welders with extensive experience to provide the level of quality, specifications, and design that no one else can offer.

This is a proprietary design to the Mesquite Police Department specifications developed by Quality Vans and Specialty Vehicles.

Sincerely,

A handwritten signature in black ink, appearing to read "David D. Rabuck".
