Javan Gonzalez, Visit Mesquite Manager, presented a report regarding the solar rodeo events on April 6 through April 8, 2024. There was an increase of out-of-state and international visitors throughout the weekend and the total number of visitors was 43,100. Visit Mesquite also saw a substantial increase in social media interactions with a 77 percent increase in Facebook likes and a 70 percent increase in Instagram followers. Mesquite was the host site for the Associated Press for the world-wide broadcasting of the solar eclipse reaching 2.65 million live viewers.

Mr. Gonzalez reviewed the Convention and Visitor's Bureau (CVB)

accomplishments during the last quarter. Visitor numbers have increased, and from January through March 2024, Mesquite has had approximately 113,500 visitors. The Mesquite Convention Center is hosting several new events and leagues including the Texas Cornhole League, Lonestar Regional Dance and Stamp Scrap Art Tour. The Mesquite Arena will continue to host concerts and Texas Outlaws Pro Arena Soccer Team games.

Kim Buttram, Director of Economic Development, presented an update on Downtown Mesquite development. The Downtown Overlay is in the final editing stage and there will be an upcoming public meeting. Downtown Mesquite staff assisted over 80 businesses in the past three months, have been doing prospect mentoring and property tours, and have coordinated consultations with property owners and the Building Inspection Division to review potential building modification needs. The Farmer's Market opened April 6, 2024, and will operate weekly until November. This past weekend, the Farmer's Market hosted over 40 vendors. Downtown Mesquite also achieved National Accreditation for the fifth year in a row.

Ms. Buttram presented Economic Development highlights. Staff attended the International Council of Shopping Centers (ICSC) in May and were able to secure 12 appointments, attend professional development sessions and unveiled a new retail strategy. Mesquite was also a Presenting Sponsor at the DFW Experiential Retail & Mixed-Use Conference just a few weeks ago. A new marketing strategy for retail in Mesquite will divide Mesquite into three distinct retail sectors (Town East Retail District, Midtown Mesquite and Trinity Pointe) and will provide statistics based on each of those sectors. Other marketing highlights include "The Sky's the Limit" ad that was ran in the Dallas Relocation Guide and NTX magazine; and Small Business Week featuring Wing City Mesquite, The Wellness Place and Panaderia Y Taqueria Mi Morelia on the City's LinkedIn and other social media sites.

Ms. Buttram presented grand opening highlights that include the opening of General Dynamics on May 29, 2024; Canadian Solar on June 6, 2024; and Vehicle Accessory Group on June 17, 2024. Within three weeks, the Office of Economic Development celebrated the opening of 2.6 million square-feet, approximately 2,300 new jobs and \$1 billion capital investment.

PUBLIC HEARINGS

- 16 Conduct a public hearing and consider an ordinance for Zoning Application No. Z0524-0361, submitted by City of Mesquite, for a change of zoning to amend Planned Development Ordinance No. 2399 to modify sign regulations, located

at 3201 East Cartwright Road.

(No responses in favor or in opposition to the application have been received from property owners within the statutory notification area. The Planning and Zoning Commission recommends approval.)

A public hearing was held for Zoning Application No. Z0524-0361.

Jeff Armstrong, Director of Planning and Development Services, stated that the Shadow Creek retail development includes a Development Agreement previously approved by the City Council (Resolution Nos. 42-2021 and 66-2023). The Development Agreement called for multi-tenant monument signs for the businesses in the Planned Development (PD). However, because the PD is being subdivided into multiple lots, the proposed multi-tenant signs would advertise businesses that are technically off-premises, which is prohibited by the Sign Ordinance. The proposed PD amendment would allow for multi-tenant signs within the PD to advertise any business within the PD, regardless of lot lines.

No one appeared regarding the proposed application.

Mr. Murden moved to approved Zoning Application No. Z0524-0361, as recommended by the Planning and Zoning Commission, and to approve Ordinance No. 5114, AN ORDINANCE OF THE CITY OF MESQUITE, TEXAS, AMENDING THE MESQUITE ZONING ORDINANCE BY AMENDING PLANNED DEVELOPMENT – GENERAL RETAIL ORDINANCE NO. 2399 TO MODIFY THE SIGN REQUIREMENTS FOR THE PROPERTY LOCATED AT 3201 EAST CARTWRIGHT ROAD; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A PENALTY NOT TO EXCEED \$2,000.00; PROVIDING PUBLICATION OF THE CAPTION HEREOF; AND PROVIDING AN EFFECTIVE DATE.
