Mesquite ISD Purchasing

Priority NORMAL

Dear Supplier,

The following opportunity has been awarded. You were awarded items and can view award information online.

Award Notes:

We are pleased to inform you that your company has been awarded the contract for RFP 2025-009 Maintenance of Fiber Optic Cabling. This award is based on the terms, discounts, and pricing outlined in your submitted proposal.

The initial term of the contract shall be 12 months with a beginning date of July 1, 2025. After the first year, there shall be an option to renew for up to four additional years in one-year increments. This contract may be extended for MISD providing that both MISD and the contractor agree to the extension. A separate extension of the contract may be executed for the City of Mesquite providing that both the City of Mesquite and the contractor agree to the extension.

Please note that this award does not guarantee a purchase. All purchases must be made through an authorized Mesquite ISD purchase order, with quantities subject to available funds. If you have any questions or require further clarification regarding this award, please feel free to contact me directly using the information provided below. We appreciate your interest in working with Mesquite ISD and look forward to a productive and successful business relationship.

Bid Opportunity Information

Bid Number: 2025-009

Bid Title: Maintenance of Fiber Optic Cabling

Issue Date: 2/5/2025 03:58:39 PM (CT)

Close Date: 3/5/2025 10:00:00 AM (CT)

Question Cut Off Date: 3/3/2025 02:00:00 PM (CT)

Bid Notes

The Mesquite Independent School District (MISD, also referred to as the District or owner) and the City of Mesquite (also referred to as the City or owner) invite you to submit a proposal in response to our Request for Proposal (RFP). All inquiries must be submitted as specified in this document. Oral responses will not be considered.

The City of Mesquite is participating in this RFP alongside Mesquite Independent School District. Both the District and the City of Mesquite share the same cabling pathways, using separate conduits, fiber, and materials. The Mesquite Independent School District is overseeing the procedural aspects of the RFP, while the City of Mesquite will fully participate in the RFP award process. In the 2024 calendar year, MISD and the City of Mesquite together processed approximately 19,243 Locate Notification Tickets (Clear Tickets) that did not require field locate. During the same period, they had a combined total of 3,852 field locate service instances.
