Jimmy	Phillips Jr			20	Council District 6	Commercial real estate	Master's degree			Mesquite Quality of Life Corporation Board/Mesquite Economic Development Advisory Board	Yes		Yes	Raised in Mesquite and take great pride in seeing our city grow and attract new opportunities. After earning both my undergraduate and master's degrees while playing football at SMU, I went on to play professionally in the NFL before transitioning into commercial real estate. That experience taught me discipline, teamwork, and leadership — qualities I now apply to helping businesses find locations that strengthen the local economy.  In real estate, I work closely with property owners, tenants, and developers, giving me firsthand insight into the factors that drive business growth and community development. I'm passionate about helping Mesquite continue to expand in ways that benefit residents and local entrepreneurs. Serving on this board would allow me to contribute my business background, local roots, and commitment to community progress toward the city's long-term economic goals.
