PUBLIC HEARINGS

- 11 Conduct a public hearing and consider a resolution approving a variance reducing the separation requirement from 300 feet to 295 feet between a proposed grocery store and Poteet High School to allow the grocery store to sell beer and wine for off-premise consumption. The proposed grocery store would be located at 1220 North Town East Boulevard.

(Two responses in favor and none in opposition to the application have been received from property owners within the required notification area.)

A public hearing was held regarding a variance for a grocery store locating at 1220 North Town East Boulevard.

Jeff Armstrong, Director of Planning and Development Services, stated that a business selling beer and wine for off-premise consumption must be located a minimum of 300 feet from any school property or church. For schools, the measurement is from the property line of the proposed beer and wine business to the property line of the school. In December 2018, the City Council approved an ordinance creating a variance process for the separation requirement and Mr. Armstrong reviewed the justification criteria the Council will use to determine whether the variance should be granted.

Gene Smith, representing the proposed grocer, spoke in favor of the application.

No others appeared regarding the proposed variance.

Mr. Miklos moved to approve a variance reducing the separation requirement from 300 feet to 295 feet between a proposed grocery store and Poteet High School to allow the grocery store to sell beer and wine for off-premise consumption and add a provision that the variance be limited to Suite 650, with the following conditions:

1. This alcohol spacing variance is valid only for a wine and beer retailer's off-premise permit pursuant to the Texas Alcoholic Beverage Code in the location shown on the location map attached as Exhibit "A" to the resolution.
2. This alcohol spacing variance is valid for subsequent renewals of the alcohol permit.
3. The alcohol spacing variance may not be transferred to another location or to another permit holder.

And to approve Resolution No. 08-2019, A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MESQUITE, TEXAS, AUTHORIZING AN ALCOHOL SPACING VARIANCE THEREBY REDUCING THE SEPARATION REQUIREMENT FROM 300 FEET TO 295 FEET BETWEEN A PROPOSED GROCERY STORE AND POTEET HIGH SCHOOL THEREBY ALLOWING THE GROCERY STORE TO SELL BEER AND WINE FOR OFF-PREMISE CONSUMPTION ON PROPERTY LOCATED AT 1220 NORTH TOWN EAST BOULEVARD, SUITE 650. Motion was seconded by Mr. Noschese and approved unanimously. (Resolution No. 08-2019 recorded in Resolution Book No. 56.)

OTHER BUSINESS

13

Consider approval of ballot language for a Proposition to sell approximately 171.393 acres of City park land described as 3811 South Belt Line Road, containing 87.727 acres, and 4600 Mercury Road, containing 83.666 acres, the entirety of which is located in the City of Balch Springs, Dallas County, Texas.

CITY OF MESQUITE PROPOSITION A

Shall the City of Mesquite City Council be authorized to: (1) convey by sale up to approximately 171.393 acres of City park land, including adjacent parcels of approximately 87.727 acres of land located at 3811 South Belt Line Road and approximately 83.666 acres of land located at 4600 Mercury Road, the entirety of which is located in the City of Balch Springs, Dallas County, Texas, and (2) use the proceeds of the conveyance for the funding and enhancement of the City of Mesquite park and recreation system?

Cliff Keheley, City Manager, stated that this item will set ballot language for an election to sell a portion of property obtained by the City of Mesquite in the early 1990s. The vacant property is located in the City of Balch Springs and is not ideal for the development of a park or other city facility. A portion of the property will remain in the City of Mesquite and will be dedicated to city and park use. There is significant interest by developers and the City of Balch Springs to develop this property. This property was purchased with park bond funds and an election is required to sell the property. Tonight, the Council is considering the ballot language for an election. The decision to call an election will be held at the next City Council meeting on February 4, 2019. The City of Balch Springs has agreed to fund half of the election cost should the Council decide to proceed.

Mr. Casper moved to approve the ballot language, as stated in Agenda Item No. 13, for a proposition for the sale of park land, to be included in a Special Election

on May 4, 2019, and designating this proposition as "City of Mesquite Proposition A." Motion was seconded by Mr. Boroughs and approved unanimously.
