File Created: 08/21/2017

Final Action:

Title: Authorize the City Manager to finalize and execute an amendment to the Professional Engineering Services Contract with Freeman-Millican, Inc., for additional services for on-site inspection for the Hailey Pump Station Variable Frequency Drive Improvements in the amount of \$10,000.00.

Agenda Date: 09/18/2017

Agenda Number: 16

Text of Legislative File 17-2920

Title

Authorize the City Manager to finalize and execute an amendment to the Professional Engineering Services Contract with Freeman-Millican, Inc., for additional services for on-site inspection for the Hailey Pump Station Variable Frequency Drive Improvements in the amount of \$10,000.00.

Body

On July 12, 2016, the City entered into a Professional Engineering Services Contract with Freeman-Millican, Inc., for design services relating to the Hailey Pump Station Variable Frequency Drive Project in the amount of \$26,000.00. Due to the highly specialized nature of the project, additional on-site inspections will be required during the construction of the project. This contract will provide for the necessary specialized inspection of the project to ensure successful installation of the variable frequency drives.

Financial Implications

Funds are available and allocated from water and sewer bond funds for the Hailey Pump Station Variable Frequency Drive Improvements.

Recommended/Desired Action

Staff recommends the City Manager be authorized to execute the contract amendment with Freeman-Millican, Inc.
