**RE: *Tisinger Elementary School
Partial Abandonment – Water Easement
NDM Job No. 17-10-064***

Dear Mr. Nesbit:

On behalf of the Mesquite Independent School District, please accept this as a formal request to abandon a portion of an existing water easement on the above referenced site. The portion to be abandoned will be under a proposed school building addition. A replacement easement system will be dedicated by a replat of the campus. And, the related water system will be rerouted in the replacement easement system with the construction of the new school addition.

Included is a set of survey exhibits showing the easement area to be abandoned along with a closure sheet. Also included is a copy of the plat that dedicated the original easement.

Please bill the School District for the \$500.00 fee associated with this request.

Thank you,
