the City easements related to the Trails as required by this Agreement or as should in the City's reasonable judgment be granted to provide for convenient access to and routine and emergency maintenance of the Trails. The provisions for inspection and acceptance of the Trails otherwise provided herein shall apply.

Section 7.07 Ownership of Trails. All Trails constructed by the Developer shall become the sole property of the City upon Completion of Construction of the Trails in accordance with all City Regulations and the Plans and Specifications approved by the City and acceptance of the Trails by the City in writing. A. The Developer shall provide to the City copies (both hard copy and electronic format, to the extent the Developer has both formats), of the Plans and Specifications for the Trails (including revisions) as such Plans and Specifications are currently in existence and as completed after the date hereof and shall provide the City one complete set of record drawings (hard copy and electronic format, to the extent the Developer has both formats) for the Trails, in accordance with Applicable Law; and

B. The Developer shall provide construction documents, including the Plans and Specifications to the City, signed and sealed by one or more registered professional architects or engineers licensed in the State of Texas at the time the construction documents are submitted to the City for approval; and

C. The Developer shall comply with and shall cause all contractors constructing the Trails, and such contractor's agents and subcontractors, to comply with all Environmental Laws; and

D. The Developer, or any general contractor shall notify and obtain the City's approval for all field changes that directly result in material changes to the portion of the Plans and Specifications for the Trails that describe the connection of the Trails with existing City trails; and

E. Upon notice from the City, the Developer shall promptly repair, restore or correct, or shall cause the general contractor constructing all or any portion of the Trails, to promptly repair, restore or correct, on a commercially reasonable basis, all damage caused by the general contractor or its subcontractors to property or facilities of the City during construction of the Trails and to reimburse the City for out-of-pocket costs actually incurred by the City that are directly related to the City's necessary emergency repairs of such damage; and

F. Upon notice from the City, the Developer shall promptly cause the correction of defective work relating to the Trails and shall cause such work to be corrected in accordance with the construction contract(s) for the Trails; and

G. If the Developer performs any soils, construction and materials testing during construction of the Trails, the Developer shall make available to the City copies of the results of all such tests; and

H. If any of the foregoing entities or persons shall fail in a material respect to perform any of its obligations described above (or elsewhere under this Agreement), the Developer shall use commercially reasonable efforts to enforce such obligations against such entities or persons; and

I. The Developer shall provide to the City any other information, documentation, or services required by the City Regulations or this Agreement; and

J. The Developer shall allow the City Representative to conduct a reasonable pre-final and final inspection of the Trails. Upon acceptance by the City of the Trails, the City shall become responsible for the maintenance of the Trails, unless otherwise specified in an HOA Maintenance Agreement.

Section 7.09. Title and Mechanic's Liens.

A. Title. The Developer agrees that the Trails shall not have a lien or cloud on title upon their dedication to and acceptance by the City.

B. Mechanic's Liens. Developer shall not create nor allow or permit any liens, encumbrances, or charges of any kind whatsoever against the Trails arising from any work performed by any contractor by or on behalf of the Developer. The Developer agrees that the Developer will not permit any claim of lien made by any mechanic, materialman, laborer, or other similar liens to stand against the Trails for work or materials furnished to the Developer in connection with any construction, improvements, renovation, maintenance or repair thereof made by the Developer or any contractor, agent or representative of the Developer. The Developer shall cause any such claim of lien to be fully discharged no later than thirty (30) days after the Developer's receipt of written notice of the filing thereof.

Section 7.10 Right of the City to Make Inspection.

A. At any time, the City shall have the right to enter the Property for the purpose of inspecting the progress of construction of the Trails; provided, however, that the City Representative shall comply with reasonable restrictions generally applicable to all visitors to any portion of the Property that is owned by Developer and that are imposed by the Developer or its general contractor or subcontractors.

B. Inspection of the construction of all Trails shall be by the City Representative or his/her designee and third-party inspectors chosen by the City. The Developer shall pay the City's costs for the retention of a third-party inspector for inspections of the Trails.

C. City may enter the Property in accordance with customary City procedures to make any repairs or perform any maintenance of the Trails which the City has accepted for maintenance. If the Developer is in default under this Agreement beyond any applicable cure period or in the event of an emergency which is not being timely addressed, the City may enter the Property to

make any repairs to the Trails that have not been accepted for maintenance by the City, of every kind or nature, which the Developer is obligated under this Agreement to repair or maintain but which the Developer has failed to perform after reasonable notice (other than in the case of an emergency in which notice is impossible or impractical). The Developer shall be obligated to reimburse the City the reasonable costs incurred by the City for any such repairs. Nothing contained in this paragraph shall be deemed to impose on the City any obligation to make repairs or alterations on behalf of the Developer.

D. City Inspections. The Developer acknowledges and agrees that all inspections of the Trails conducted by the City, the City's agents, representatives, employees, engineers and/or independent contractors, shall be for the sole benefit and protection of the City and shall not be for the benefit or protection of the Developer or any other Person. The Developer acknowledges that the Developer, or its duly authorized agents, will make their own inspections of the Trails and that the Developer will not rely on any inspections made by the City, the City's agents, representatives, employees, engineers and/or independent contractors. This Section 7.10 is not meant to alter or change the City's inspection procedures done through the permitting process

Notwithstanding any provision in this Agreement to the contrary, if the performance of any covenant or obligation to be performed hereunder by any Party is delayed by Force Majeure, the time for performance of such covenant or obligation shall be extended by the number of days of any delay directly caused by and relating to such Force Majeure. The Party claiming delay of performance as a result of any event of Force Majeure shall deliver written notice of the commencement of any such delay resulting from such Force Majeure event and the length the Force Majeure event is reasonably expected to last not later than fifteen (15) business days after the claiming Party becomes aware of the same, and if the claiming Party fails to timely notify the other Party of the occurrence of a Force Majeure event causing such delay, the claiming Party shall not be entitled to avail itself of the provisions for the extension of performance contained in this Section 11.03. The Parties agree that notwithstanding anything contained in this Agreement to the contrary including, without limitation, Section 11.03 of this Agreement, the performance by the Developer of any term, provision, covenant, condition, or obligation to be performed by the Developer pursuant to this Agreement shall not be extended (including any extension as a result of an event of Force Majeure pursuant to Section 11.03 of this Agreement) for more than thirty-six (36) months, collectively.

Section 11.05 Developer Remedies. Upon the occurrence of a City Default, the Developer shall have the right as its sole remedies to:

A. terminate this Agreement by written notice to the City in which event neither Party hereto shall have any further rights or obligations hereunder except for those that expressly survive the termination of this Agreement; and

B. recover from the City the amount of any Economic Development Incentive payment then earned, owed and unpaid by the City as damages in accordance with the following provisions.

The City and the Developer acknowledge and agree that this Agreement is not a contract for goods or services and the City's immunity from suit is not waived pursuant to Subchapter I of Chapter 272, V.T.C.A., Local Government Code, as amended. Alternatively, if and only in the event a court of competent jurisdiction determines the City's immunity from suit is waived under Subchapter I of Chapter 271, V.T.C.A., Local Government Code, the Parties hereby acknowledge and agree that in a suit against the City for breach of this Agreement or otherwise to recover damages, the total amount of damages, if any, awarded against the City shall be limited to actual damages in the amount of the Economic Development Incentive earned by the Developer and owed and unpaid by the City, not to exceed the amount of TWO HUNDRED SEVENTY ONE THOUSAND AND NO/100 DOLLARS ($271,000.00). The Parties acknowledge and agree that the Economic Development Incentive shall not be considered earned by the Developer and owed by the City unless and until all Conditions Precedent have been timely satisfied and are continuing. The Parties agree any recovery of damages against the City shall not include attorneys' fees or consequential, punitive, exemplary, or speculative damages including, but not limited to, lost profits.

Section 11.06 City Remedies. In the event of a Developer Default, the City shall have no obligation to pay any unpaid Economic Development Incentive to the Developer and the City shall have the right to exercise any one or more of the following remedies as the City's sole and exclusive remedies, such remedies being expressly cumulative:

A. terminate this Agreement by written notice to the Developer; and

B. terminate the City Tract Contract for Sale by written notice to the Developer if the sale and purchase of the City Tract has not been closed and funded; and

C. recapture the Economic Development Incentive previously paid by the City to the Developer as more fully set forth in Section 11.07 below; and

D. exercise and enforce any and all rights and remedies with respect to the Bonds; and

D. specific performance (for any Developer Default unrelated to construction of Homes); and

E. injunctive relief and other equitable remedies to enforce construction of the Amenities, Entry Features, and Homes in compliance with the Architectural Standards and the CC&Rs; and

F. recover damages from the Developer in the amount equal to the costs and expenses reasonably necessary to plan, design, construct, and complete the Trails in compliance with Plans and Specifications for the Trails approved in writing by the City (if the Developer Default includes the failure of the Developer to timely construct the Trails).

Section 11.07 Recapture of Economic Development Incentives. In the event of a Developer Default, the Developer shall pay to the City, within thirty (30) days after written notice by the City, at the City's address set forth in Section 12.02 of this Agreement, or such other address as the City may hereafter notify the Developer in writing, the amount equal to the Economic Development Incentive previously paid by the City to the Developer under the terms of this Agreement plus interest at the rate equal to the lesser of: (a) the Maximum Lawful Rate; or (b) three percent (3%) per annum, such interest rate to be calculated on the amount of the Economic Development Incentive being recaptured from the date the Economic Development Incentive was paid by the City until the date repaid by the Developer to the City and such interest rate shall adjust periodically as of the date of any change in the Maximum Lawful Rate. In the event the Developer fails to timely pay any sums due by the Developer to the City pursuant to this Section 11.07, the Developer shall be in breach of this Agreement and the City shall have the right, without further demand or notice to the Developer, to exercise any and/or all rights and/or remedies available to the City pursuant to the laws of the State of Texas including, without limitation, institution of a suit in a court of competent jurisdiction, to collect such sums from the Developer.

Section 11.08 Attorney's Fees. No Party hereto shall be entitled to seek or recover attorney's fees from any other Party hereto (except in the event of the exercise by the City of the remedies set forth in Chapter 2264 of the Texas Government Code).

Section 11.09 **Waiver of Consequential, Punitive, Exemplary and Speculative Damages. The Parties agree that, in connection with any action, suit or proceeding arising from or relating to this Agreement and/or the City Tract Contract for Sale, each Party mutually waives to the fullest extent permitted by Applicable Law, all rights to sue the other Party for consequential, punitive, exemplary or speculative damages including, but not limited to, lost profits. The provisions of this Section 11.09 shall expressly survive the closing of the purchase of the City Tract and the expiration or termination of this Agreement.**

Section 11.10 Survival. All terms, provisions, agreements, covenants, conditions, obligations, rights, and remedies of each Party pursuant to this Article XI shall expressly survive the expiration or termination of this Agreement.

Section 12.03 Assignment.

A. Assignment of Agreement. This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns provided, however, that notwithstanding anything contained herein to the contrary, this Agreement and the rights and obligations of the Developer under the terms of this Agreement including, without limitation, the obligations, requirements and covenants of the Developer to plan, design, construct, and complete the Trails and to plan, design, construct and complete, or to cause the planning, design, construction and completion, of the Amenities, Entry Features, and Homes as set forth in this Agreement shall not be assigned or transferred by the Developer without the prior written consent of the City, which may be withheld in the City's reasonable discretion. Furthermore, neither the Developer nor any approved assignee or their legal representatives or successors in interest shall, by operation of law or otherwise, assign, mortgage, pledge, encumber, or otherwise transfer this Agreement or any part hereof including, without limitation, any receivables under the terms of this Agreement, without obtaining the City's prior written consent, which may be withed in the City's reasonable discretion, unless such assignment is a collateral assignment to a lender advancing funds for the Project which assignment requires no City consent. In the event the Developer is a corporation or limited liability company, the sale, transfer or assignment of a controlling interest in the shares of the Developer, or the sale, transfer or assignment of a controlling interest in the membership interests of the Developer, shall constitute an assignment of this Agreement and the failure of the Developer to obtain the prior written consent of the City prior to such sale, transfer or assignment of such shares or membership interests shall be an attempted assignment of this Agreement in violation of this Agreement and shall constitute a breach of this Agreement by the Developer. In the event the Developer is a partnership, the sale, transfer or

assignment of a controlling interest in the shares of a corporation or the membership interests of a limited liability company or the partnership interests of a partnership that is the Developer's general or managing partner shall constitute an assignment of this Agreement and the failure of the Developer to obtain the prior written consent of the City prior to such sale, transfer or assignment of such shares, membership interests or partnership interests shall be an attempted assignment of this Agreement in violation of this Agreement and shall constitute a breach of this Agreement by the Developer.

B. General Conditions to Assignment. Any consent by the City to any assignment of this Agreement shall be held to apply only to the specific transaction thereby authorized and shall not constitute a waiver of the necessity for such consent to any subsequent assignment. No assignment of this Agreement shall contain any terms in contravention of any provisions of this Agreement. No assignment by Developer, or any approved assignee shall release Developer, or any approved assignee from any liability that resulted from an act or omission by Developer, or any approved assignee that occurred prior to the effective date of the assignment unless the City approves the release in writing. No assignment of this Agreement shall be effective unless: (i) the assignment is in writing signed by the assignor and the assignee; (ii) the assignee assumes the assignor's obligation to timely keep and perform all terms, provisions, agreements, covenants, conditions and obligations of the assignor under the terms of this Agreement; (iii) a true and correct copy of such assignment has been provided to the City; and (iv) the City has consented to such assignment in writing. Each approved assignee shall be considered a **"Party"** and the **"Developer"** under the terms of this Agreement, shall be subject to and bound by all the provisions, covenants, and conditions of this Agreement, and shall be required to obtain the prior written consent of the City with respect to any future or further assignment. Any attempted assignment in violation of the terms and provisions of this Agreement shall be void and shall constitute a material breach of this Agreement by the Developer, or any approved assignee and in the event the Developer, or any approved assignee attempts to assign this Agreement in violation of Section 12.03 of this Agreement, the City shall have the right to terminate this Agreement by written notice to the Developer, or approved assignee.

Section 12.04 Right to Offset. The City shall have the right to offset any amounts due and payable by the City under this Agreement against any debt (including taxes) lawfully due and owing by the Developer to the City, regardless of whether the amount due arises pursuant to the terms of this Agreement, or otherwise, and regardless of whether or not the debt has been reduced to judgment by a court.

Section 12.05 Exhibits. All exhibits to this Agreement are incorporated herein by reference for all purposes.

Section 12.06 No Acceleration. Any amounts due pursuant to this Agreement and any remedies under this Agreement are not subject to acceleration.

Section 12.07 Captions. The titles of the articles and the headings and descriptive captions of this Agreement are for convenience of reference only and shall in no way define, describe, limit, expand, or affect the scope, terms, conditions, or intent of this Agreement.

Section 12.08 Modification. This Agreement may only be revised, modified, or amended by a written document signed by the City and the Developer. Oral revisions, modifications or amendments of this Agreement are not permitted.

Section 12.09 Interpretation. Regardless of the actual drafter of this Agreement, this Agreement shall, in the event of any dispute over its meaning or application, be interpreted fairly and reasonably, and neither more strongly for or against any Party.

Section 12.10 Waivers. All waivers, to be effective, must be in writing and signed by the waiving Party. No failure by any Party to insist upon the strict or timely performance of any covenant, duty, agreement, term, or condition of this Agreement shall constitute a waiver of any such covenant, duty, agreement, term, or condition. No delay or omission in the exercise of any right or remedy accruing to any Party shall impair such right or remedy or be construed as a waiver of any such breach or a waiver of any breach theretofore or thereafter occurring.

Section 12.11 Governing Law: Venue. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Texas (without giving effect to any conflict of law principles that would result in the application of the laws of any state other than Texas). The Parties agree that venue of any suit to construe or enforce this Agreement shall lie exclusively in state courts in Dallas County, Texas and the Parties agree to submit to the personal and subject matter jurisdiction of such courts.

Section 12.12 Severability. The sections, paragraphs, sentences, clauses, and phrases of this Agreement are severable and, if any phrase, clause, sentence, paragraph, or section of this Agreement should be declared invalid, illegal or unenforceable by the final judgment or decree of any court of competent jurisdiction, such invalidity, illegality, or unenforceability shall not affect the validity, legality, or enforceability of any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Agreement and such remaining provisions shall remain in full force and effect and shall be construed and enforced as if the invalid, illegal or unenforceable provision had never been included in the Agreement.

Section 12.13 No Partnership or Joint Venture. Nothing contained in this Agreement or any other agreement between the City and the Developer is intended by the Parties to create a partnership or joint venture between the Developer and the City. It is understood and agreed that this Agreement does not create a joint enterprise, nor does it appoint any Party as an agent of any other Party for any purpose whatsoever. This Agreement shall not be deemed or construed by the Parties hereto, nor by any third party, as creating the relationship of partnership or joint venture between the Parties.

Section 12.14 No Third-Party Beneficiaries. The Parties to this Agreement do not intend to create any third-party beneficiaries of the contract rights contained herein. This Agreement shall not create any rights in any individual or entity that is not a signatory hereto. No Person who is not a party to this Agreement may bring a cause of action pursuant to this Agreement as a third-party beneficiary.

Section 12.15 Number and Gender. Whenever used herein, unless the context otherwise provides, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all other genders.

Section 12.16 Counterparts. This Agreement may be executed in any number of original, facsimile, or electronically scanned counterparts, each of which shall be considered an original and all of which shall be considered one and the same instrument.

Section 12.17 Entire Agreement. This Agreement sets forth the entire agreement between the Parties with respect to the subject matter hereof, and all prior discussions, representations, proposals, offers, and oral or written communications of any nature are entirely superseded hereby and extinguished by the execution of this Agreement. There are no oral agreements between the Parties.

Section 12.18 Authority. The Developer represents that: (i) it is duly formed, validly existing and in good standing under the laws of the State of its formation and is duly authorized to transact business in the State of Texas; (ii) it has the full power and authority to enter into this Agreement and to fulfill its obligations under this Agreement; (iii) all consents or approvals required to enter into this Agreement have been obtained by the Developer; (iv) the execution of this Agreement and the consummation by the Developer of the transactions contemplated hereby are not in violation of or in conflict with, or a default under, any term or provision of the organizational documents of the Developer, or any of the terms of any agreement or instrument to which the Developer is a party, or by which the Developer is bound; and (v) that the Person signing this Agreement on behalf of the Developer has the authority to sign this Agreement on behalf of the Developer. Each Person signing this Agreement represents that such Person has the authority to sign this Agreement on behalf of the Party indicated. The representations and warranties of the Developer set forth in this Section 12.18 shall expressly survive the expiration or termination of this Agreement.

Section 12.19 City Council Authorization. This Agreement was authorized by resolution of the City Council approved at a City Council meeting.

Section 12.20 Usury Savings Clause. The Developer and the City intend to conform strictly to all applicable usury laws. All agreements of the City and the Developer are hereby limited by the provisions of this Section 12.20 which shall override and control all such agreements, whether now existing or hereafter arising and whether written or oral. In no event shall any interest contracted for, charged, received, paid, or collected under the terms of this Agreement exceed the Maximum Lawful Rate or amount of non-usurious interest that may be contracted for, taken, reserved, charged, or received under applicable law. If, from any possible development of any document, interest would otherwise be payable to City in excess of the Maximum Lawful Rate, any such construction shall be subject to the provisions of this Section 12.20 and such document shall be automatically reformed and the interest payable to the City shall be automatically reduced to the Maximum Lawful Rate, without the necessity of execution of any amendment or new document. If the City shall ever receive anything of value which is characterized as interest under applicable law and which would apart from this provision be in excess of the Maximum Lawful Rate, an amount equal to the amount which would have been excessive interest shall at the option of the City be refunded to the Developer or applied to the

reduction of any amount owing by the Developer to the City under this Agreement in the inverse order of its maturity and not to the payment of interest. The right to accelerate any indebtedness does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and City does not intend to charge or receive any unearned interest in the event of acceleration. All interest paid or agreed to be paid to the City shall, to the extent permitted by applicable law, be amortized, prorated, allocated, and spread throughout the full stated term (including any renewal or extension) of such indebtedness so that the amount of interest on account of such indebtedness does not exceed the Maximum Lawful Rate.

Section 12.21 Anti-Boycott Verification. If Texas Government Code Chapter 2271 is applicable to this Agreement, by signing below, Developer represents, verifies, and warrants that the Developer and its parent company, wholly-or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, but only to the extent such section is applicable, and to the extent such section does not contravene applicable federal law. As used in the foregoing verification, 'boycott Israel' means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Developer understands "affiliate" as used in this Section 12.21 to mean an entity that controls, is controlled by, or is under common control with the Developer and exists to make a profit.

Section 12.22 Iran, Sudan and Foreign Terrorist Organizations. If §2252.153 of the Texas Government Code is applicable to this Agreement, by signing below Developer hereby represents, verifies and warrants that the Developer, its parent company, wholly-or majority-owned subsidiaries, and other affiliates: (i) do not engage in business with Iran, Sudan or any foreign terrorist organization and (ii) are not listed by the Texas Comptroller under §2252.153, Texas Government Code, as a company known to have contracts with or provide supplies or services toa "foreign terrorist organization" as defined in §2252.151 of the Texas Government Code. At Closing (as hereinafter defined), the Earnest Money will be applied as a credit against the Purchase Price.

If either Party fails to close by the Target Closing Date or Final Closing Date, as applicable, the non-defaulting Party may exercise the remedies in Section 10 of this Contract.

5. **Closing Costs.** All closing costs (except attorney's fees incurred by the City) in connection with this transaction including, without limitation, the cost of tax certificates, Title Company escrow fees, recording fees, and the premium for the Title Policy and title policy endorsements covering the Property issued to Developer in the amount of the Purchase Price, shall be paid by Developer.

6. **Survey, Title Policy and Title Review Period.**

A. **Survey.**

City has provided Developer with a survey of the Property dated 12-30-2014 revised in office 01-05-2015 by A&W Surveyors, Inc., John S. Turner, RPLS No. 5310 (the "**Survey**").

B. **Title Policy.**

Developer shall request that the Title Company deliver or cause to be delivered to Developer and City, within ten (10) days after the Effective Date, the following items:

(1) A title commitment (the "**Title Commitment**") covering the Property, binding the Title Company to issue to Developer a Texas Owner's Policy of Title Insurance insuring Developer's fee simple title to the Property to be good and indefeasible, on the standard form of policy prescribed by the Texas Department of Insurance in the full amount of the Purchase Price, subject to the Exceptions (as hereinafter defined) (the "**Title Policy**"); and

(2) Copies of all instruments referred to in the Title Commitment as constituting exceptions or restrictions upon the title of City (to the extent legible copies of such instruments are available) (the **"Title Exception Documents"**).

C. **Title Review Period.**

Developer shall have ten (10) calendar days after the receipt of the Title Commitment and the Title Exception Documents to review such documents and to deliver in writing to City such objections as Developer may have to any matters contained in the Survey, the Title Commitment and the Title Exception Documents (the "**Title Review Period**"). Any item or matter shown on the Survey and/or the Title Commitment, to which Developer does not timely object, or to which Developer does not cure on before the expiration of the Inspection Period (as hereinafter defined), shall be deemed "**Exceptions**"; provided, however, the term Exceptions shall not include any exceptions for parties in possession on Schedule B of the Title Commitment. The standard title policy exceptions that the Title Company does not agree to delete and the lien for any taxes not due and payable at the time of Closing shall also be deemed Exceptions. City shall allow Developer fifteen (15) calendar days to, at its sole election, attempt to cure Developer's timely objections after City receives the objections (the "**Title Cure Period**"). City shall reasonably cooperate with Developer to take any actions, but not expend any funds to assist Developer with curing Developer's objections, but any failure by the City to assist Developer in curing Developer's objections shall not be a default of the City. If Developer is unable to cure Developer's objections by the end of the Title Cure Period, Developer may as its exclusive remedy either (i) waive such objections and proceed to Closing; or (ii) terminate this Contract by written notice to City, which written notice shall be delivered by Developer to City on or before the expiration of the Inspection Period. If Developer terminates this Contract pursuant to this Section 6(C), the Earnest Money, less the Independent Consideration, will be refunded to Developer and neither Party hereto shall have any further rights or obligations under this Contract except for those that expressly survive the termination of this Contract. In the event Developer fails to timely notify City of Developer's election to terminate as provided in this Section 6(C), Developer shall be deemed to have waived all uncured title objections to the Property, the Survey, the Title Commitment and the Title Exception Documents and all uncured title objections shall be deemed Exceptions.

7. **Inspection.**

A. **Inspection**. Developer shall have the right to enter on and inspect the Property from the Effective Date until the earlier termination of this Contract or Closing. Developer may perform, or have performed on Developer's behalf, such noninvasive tests, engineering reports, surveys, soils and other studies as Developer may determine in Developer's sole discretion (subject to Developer's indemnification and restoration obligations as set forth below). Notwithstanding the foregoing, Developer shall not conduct invasive testing without City's prior written consent. Before Developer, or its surveyors, engineers, consultants, representatives and agents (collectively "**Developer's Consultants**") enter the Property, Developer shall provide evidence to City of Developer's insurance policies and Developer's Consultants' insurance policies covering personal injury and property damage claims resulting from Developer's and/or Developer's Consultants' entry on or about the Property, which insurance shall be subject to approval by

the City. All such insurance policies shall be issued by insurance companies licensed in the State of Texas, shall provide coverage of not less than One Million Dollars ($1,000,000.00) per occurrence, and shall name City as an additional insured. Developer shall provide City with copies of all surveys, soils tests, geotechnical studies, and other environmental tests, studies and reports excluding any internal work product (collectively, "**Developer's Studies**") obtained or generated by Developer or Developer's Consultants in connection with its investigation of the Property; provided, however, Developer will not make any representations or warranties to City as to the accuracy or correctness of Developer's Studies. Should Developer determine for any reason whatsoever that it does not want to purchase the City's Interest, Developer shall have the right in Developer's sole discretion to terminate this Contract by providing written notice thereof to City on or before 5:00 p.m. central time on the date that is thirty (30) days after the Effective Date (the "**Inspection Period**"), whereupon the Earnest Money, less the Independent Consideration, shall be refunded to Developer, this Contract shall terminate, and neither Party shall have any further rights or obligations under this Contract except for those provisions hereof which expressly survive termination of this Contract. If Developer does not terminate this Contract by written notice on or before the expiration of the Inspection Period, then (i) it shall be deemed that Developer is satisfied with the City's Interest and the results of its inspections; (ii) this Contract shall remain and continue in full force and effect, and (iii) the Earnest Money shall be non-refundable to Developer except in the event of a default hereunder by City and Developer's resulting termination of this Contract due to such City default.

B. **Developer's Restoration Obligation. DEVELOPER AGREES TO DEFEND, INDEMNIFY, SAVE AND HOLD CITY HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, SUITS, DAMAGES, LIABILITIES, COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES AND COURT COSTS) INCURRED OR SUSTAINED BY CITY ARISING FROM OR IN CONNECTION WITH DEVELOPER'S INSPECTION OF THE PROPERTY, ANY ENTRY ONTO THE PROPERTY BY DEVELOPER AND/OR DEVELOPER'S CONSULTANTS, AND/OR ANY TESTS OR STUDIES CONDUCTED BY DEVELOPER OR DEVELOPER'S CONSULTANTS ON THE PROPERTY, EXCEPT TO THE EXTENT OF CITY'S OWN GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.** In the event that Developer elects to terminate this Contract for any reason permitted in this Contract, or if Closing does not occur, Developer agrees to (i) restore the Property, at Developer's sole cost and expense, to substantially the same state and condition existing prior to the activities thereon of Developer and/or Developer's Consultants, and (ii) provide City, without representation or warranty, with a copy of all of Developer's Studies which have not theretofore been provided to City. Until Closing, Developer agrees to maintain in confidence the information discovered in any reports relating to the Property unless Developer is required by law to make any disclosures thereof; provided, however, Developer may disclose such information to Developer's lenders, investors, attorneys, consultants and other similar professional advisors who have a need to know such information. The portion of the Earnest Money to be returned to Developer pursuant to the terms of this Contract shall not be returned to Developer unless and until Developer has complied with the terms of (i) and (ii) set forth above in this Section 7(B). Notwithstanding anything to the contrary contained in this Contract, the provisions of this Section 7(B) shall prevail over all other terms and provisions of this Contract which may conflict herewith, and the provisions of this Section 7(B) shall survive Closing or any termination of this Contract for any reason.

8. **Closing Documents and Escrow.**

A. **City's Deliveries at Closing.** At the Closing, provided Developer fulfills its obligations under this Contract, the City shall deliver to Developer: (i) a deed without warranty containing the legal description of the Property reflected on the Survey, which deed without warranty shall be in the form attached hereto as Exhibit C and made a part hereof for all purposes (the "**Deed**"); (ii) a Non-Foreign Affidavit complying with Section 1445 of the Internal Revenue Code; and (iii) all notices, statements,

certificates, affidavits and other documents reasonably required by the Title Company or by law to issue the Title Policy and/or to consummate the transactions contemplated in this Contract.

B. **Developer's Deliveries at Closing.** At the Closing, provided the City fulfills its obligations under this Contract, Developer shall deliver to City: (i) the Purchase Price; and (ii) all notices, statements, certificates, affidavits and other documents reasonably required by the Title Company or by law to consummate the transactions contemplated in this Contract.

C. **Escrow.** If this Contract closes, the Earnest Money will be applied first to Developer's closing costs with any remainder to be applied to the Purchase Price. Grantor, for the Consideration described above and subject to the Reservations from Conveyance and the Exceptions to Warranty, GRANTS, SELLS, and CONVEYS to Grantee and Grantee's heirs, successors, and assigns an easement and right-of-way in, on, over, under, through, and across the Easement Property for the Easement Purpose, together with all and singular the rights and appurtenances thereto in any way belonging (collectively, the "Trail Easement"), TO HAVE AND TO HOLD the Trail Easement to Grantee and Grantee's heirs, successors, and assigns forever. Grantor binds Grantor and Grantor's heirs, executors, administrators, successors and assigns to WARRANT AND FOREVER DEFEND the title to the Trail Easement in Grantee and Grantee's heirs, successors and assigns against every person whomsoever lawfully claiming or to claim the Trail Easement or any part of the Trail Easement, except as to the Reservations from Conveyance and the Exceptions to Warranty.

The following terms and conditions apply to the Trail Easement granted by this Agreement:

1. *Definitions.* The term "this Agreement" means this Trail Easement Agreement. The terms "Grantor", "Grantee", "Consideration", "Easement Property", "Easement Purpose", "Reservations from Conveyance", and "Exceptions to Warranty" in this Agreement are defined above. When the context requires, singular nouns and pronouns include the plural. When appropriate, the term "Grantee" includes the employees and authorized agents of Grantee.

2. *Character of Easement.* The Easement is exclusive, and is for the benefit of Grantee and Grantee's successors and assigns.

3. *Duration of Easement.* The duration of the Easement is perpetual, except however that it shall terminate in the event of future abandonment of the Trail Facilities by Grantee. For purposes hereof, and for so long as Grantee is the City of Mesquite, the Trail Facilities shall be deemed abandoned by Grantee solely upon Grantee's adoption and approval of an ordinance specifically abandoning the Trail Easement and the rights of Grantee set forth herein.

4. *Reservation of Rights.* Grantor reserves for Grantor and Grantor's heirs, successors and assigns the right to use all or part of the Easement Property (including, without limitation, the right to use the Trail Facilities in the same way that members of the public may use the Trail Facilities) in conjunction with Grantee as long as such use by Grantor and Grantor's heirs, successors, and assigns does not interfere with or interrupt the use or enjoyment of the

Easement and the Easement Property for the Easement Purpose by Grantee and Grantee's heirs, successors, and assigns.

5. *Secondary Easement.* Grantee has the right (the "Secondary Easement") to use as much of the surface of the property that is adjacent to the Easement Property ("Adjacent Property") as may be reasonably necessary in connection with the Easement Property and the Easement Purpose. However, Grantee must promptly restore the Adjacent Property to its previous physical condition if changed by use of the rights granted by this Secondary Easement.

6. *Improvement and Maintenance of Easement Property.* Grantee has the right to eliminate any encroachments into the Easement Property, including, without limitation, the right to remove any and all fencing, paving, trees and undergrowth, and other obstructions that may injure or damage or tend to injure or damage the Trail Facilities, or interfere with the installation, construction, reconstruction, maintenance, replacement, repair, upgrading, alteration, protection, inspection, operation, use, or removal thereof. Grantor agrees, for the consideration set forth herein, not to construct or place within the Easement Property any buildings, structures, fences, property, or other improvements of any nature whatsoever, or any shrubs, trees or other growth of any kind, or otherwise interfere with the Trail Easement, without the prior written consent of Grantee. Grantee shall have the right to remove, and keep removed, all or parts of any building, structure, fence, property, or other improvement, or any shrub, tree, or other growth, of any character that is located within the Easement Property and which, in the judgment of Grantee, may endanger or in any way interfere with the construction, efficiency, or convenient and safe operation and maintenance of the Trial Facilities described herein or the exercise of Grantee's rights hereunder. Grantee shall at its sole cost and expense maintain and keep the Trail Facilities in good order, condition and repair.

8. *Restoration of Property to Pre-Construction Condition.* Grantee shall clean up and remove all trash and debris caused by Grantee's reconstruction, and maintenance of the Trail Facilities. After all such activities, Grantee shall return the surface of the Easement Property to its pre-reconstruction condition, excepting the Trial Facilities.

9. *Equitable Rights of Enforcement.* This Easement may be enforced by restraining orders and injunction (temporary or permanent) prohibiting interference and commanding compliance. Restraining order and injunctions will be obtainable on proof of the existence of interference or threatened interference, without the necessity of proof of inadequacy of legal remedies or irreparable harm, and will be obtainable only by the parties to or those benefited by this Agreement; provided, however, that the act of obtaining an injunction or restraining order will not be deemed to be an election of remedies or a waiver of any other rights or remedies available at law, in equity, or otherwise.

10. *Attorney's Fees.* If either party retains an attorney to enforce this Agreement, the party prevailing in litigation is entitled to recover reasonable attorney's fees and court and other costs.

11. *Binding Effect.* This Agreement binds and inures to the benefit of the parties and their respective heirs, successors, and permitted assigns.

12. *Choice of Law.* This Agreement will be construed under the laws of the State of Texas, without regard to choice-of-law rules of any jurisdiction. Venue is in the county or counties in which the Easement Property is located.

13. *Counterparts.* This Agreement may be executed in any number of counterparts with the same effect as if all signatory parties had signed the same document. All counterparts will be construed together and will constitute one and the same instrument.

14. *Waiver of Default.* It is not a waiver of or consent to default if the nondefaulting party fails to declare immediately a default or delays in taking any action. Pursuit of any remedies set forth in this Agreement does not preclude pursuit of other remedies in this Agreement or provided by law.

15. *Further Assurances.* Each signatory party agrees to execute and deliver any additional documents and instruments and to perform any additional acts necessary or appropriate to perform the terms, provisions, and conditions of this Agreement and all transactions contemplated by this Agreement.

16. *Indemnity.* To the extent allowed by law, each party agrees to indemnify, defend, and hold harmless the other party from any loss, attorney's fees, expenses, or claims attributable to breach or default of any provision of this Agreement by the indemnifying party.

17. *Entire Agreement.* This Agreement and any exhibits constitute the entire agreement of the parties concerning the grant of the Easement by Grantor to Grantee. There are no representations, agreements, warranties, or promises that are not expressly set forth in this Agreement and any exhibits.

18. *Legal Construction.* If any provision in this Agreement is for any reason unenforceable, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceability will not affect any other provision hereof, and this Agreement will be construed as if the unenforceable provision had never been a part of the Agreement. Whenever context requires, the singular will include the plural and neuter include the masculine or feminine gender, and vice versa. Article and section headings in this Agreement are for reference only and are not intended to restrict or define the test of any section. This Agreement will not be construed more or less favorably between the parties by reason of authorship or origin of language.

19. *Liens and Encumbrances.* Grantor warrants that there are no liens, attachments, or other encumbrances that affect the title or right of Grantor to convey this Easement to Grantee for the purposes described herein except for those with a signature and acknowledgment included in and made a part of this document conveying the rights and privileges contained herein, and subordinating any such lien or encumbrance to the easement granted herein.

20. *Notices.* Any notice required or permitted under this Agreement must be in writing. Any notice required by this Agreement will be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this Agreement. Notice may also be given by regular mail, personal delivery, courier

delivery, facsimile transmission, or other commercially reasonable means and will be effective when actually received. Any address for notice may be changed by written notice delivered as provided herein. As of the date of this Agreement and pending further notice, notices shall be sent to the following addresses identified above.

21. *Time.* Time is of the essence. Unless otherwise specified, all references to "days" mean calendar days. Business days exclude Saturdays, Sundays, and legal public holidays. If the date for performance of any obligation falls on a Saturday, Sunday, or legal public holiday, the date for performance will be the next following regular business day.
