Section 2. Use of the 700 MHz System.

2.01 Capacity. The System Owners agree to provide Seagoville use of additional capacity of the 700 MHz System. Exhibit A defines the number of Talk Groups and Subscribers Seagoville is authorized to use on the System. As technical improvements are made to the 700 MHz System by the System Owners, and provided that the System Owners have sufficient system capacity (as determined by the System Owners in their sole discretion) for their own present and future needs and those of others with whom the System Owners may enter agreements for use of the additional capacity of the 700 MHz System, Seagoville may add additional units to the 700MHz System under the same terms and conditions contained herein.

2.02 Notification by Subscriber Participant. Seagoville, as a Subscriber Participant, agree to notify the System Owners Technical Advisory Board of:

(a) Seagoville’s entire inventory of Subscriber radios being used on or in conjunction with the 700 MHz System; and

- (b) any changes in that inventory within ten (10) days after such change.

2.03 Talk Group Auto-Roaming. System Owners do not guarantee any Subscriber Participant's Talk Group will be authorized to operate on all tower sites in the System ("auto-roam"). A Subscriber Participant may request, in writing, that the System Owners authorize a Talk Group to auto-roam between towers on the System. In accordance with Article VI of the Garland/Mesquite Radio System ILA, the Technical Advisory Board shall review all such requests to ensure the request does not negatively impact the System's quality of service. The Technical Advisory Board shall recommend the Governance Board authorize or deny the request. The Governance Board shall then, at its sole and final discretion, authorize or deny the request and notify the Subscriber Participant of its decision.

Section 3. Terms of Use. Seagoville is to use the System strictly in accordance with and under the terms of use set forth in Exhibit A.

Section 4. Fees.

4.01 Payment. Seagoville shall remit payments to Garland in the amount and manner set forth in Exhibit A.

4.02 Payment source. All payments made by Seagoville under this Agreement must be made from current revenues available to Seagoville.

4.03 Adjustment of fees. The System Owners may adjust the annual fees based on an estimation of their variable costs, such as maintenance and operating expenses.

4.04 Pro rata policy. In the event this Agreement terminates on any day other than September 30 of a given year of the Term, a refund or fee shall be made on a pro rata basis.

(a) If the Agreement terminates within a year for which Seagoville have paid the annual fee, Seagoville shall be entitled to a pro rata refund of fees paid.

(b) If the Agreement terminates during a year for which Seagoville has not paid the annual fee, the System Owners shall be entitled to a pro rata payment of fees for the unpaid services. This pro rata payment shall be based upon the fee that would otherwise have been due on the October 1 immediately preceding the termination date, including any adjustment of the fees that has occurred, provided the System Owners sent written notice of the fee adjustment to Seagoville prior to receiving the requisite written notice set forth in Section 6 below.

Section 5. System Management; Disclaimer of Warranties. It is understood by the Parties that the intent of this Agreement is only for airtime usage of the 700 MHz System, and does not provide Seagoville control of the System or any part of the System. This Agreement does not provide Seagoville with any ownership rights to any part of the System. **The System Owners make no representations or warranties, either express or implied, as to the System or its components, and Seagoville acknowledges that the use of the System is being provided to Seagoville on an**

“AS-IS”, “WHERE IS” basis with any and all latent and patent defects. The System Owners expressly disclaim any warranty or representation as to the System’s coverage, quality, dependability, performance, continuation of service, non-infringement, merchantability, fitness for any particular purpose or fitness for the uses intended by Seagoville. Seagoville assumes the entire risk as to the results and use of the System or its components. The System Owners shall not be liable to Seagoville, its employees, agents, representatives, officials or to any other person or entity for any indirect, incidental, special or consequential damages whatsoever, including, but not limited to, damages for any loss of use, time, data, goodwill, revenue or profit, in any way related to or arising from this Agreement, the use, misuse or non-use of the System by Seagoville and/or any inadequacies of coverage, quality, dependability, performance, errors or interruption in service or partial or total failure of the System even if the System Owners have been advised of the possibility of such damages. The System Owners and their employees, agents, representatives and officials shall not be liable to Seagoville, its employees, agents, representatives, officials or any other person or entity for personal injuries, death or property damage due to or arising from the use, misuse or non-use of the System by Seagoville and/or arising from any inadequacies of coverage, quality, dependability, performance, errors or interruption in service or partial or total failure of the System. To the extent allowed by law, Seagoville agrees to indemnify and hold the System Owners and their respective employees, agents, representatives and officials harmless from and against all liability of any nature whatsoever for personal injuries, death or damage to tangible property caused by or arising from the use, misuse or non-use of the System by Seagoville. It is expressly intended by the Parties that the disclaimer of warranties and the indemnity by Seagoville contained in this Section 5 shall expressly survive the expiration or termination of this Agreement.

Section 6. Termination.

6.01 Termination by owner. The System Owners may terminate this Agreement upon providing Seagoville with the lesser of

(a) at least one hundred and twenty (120) days’ written notice of termination for terminations made on an at-will basis; or

(b) thirty (30) days written notice to Seagoville in the event Seagoville fails to make any payment due or otherwise breaches an obligation of Seagoville under this Agreement;

6.02 Termination by Seagoville. Seagoville may terminate this agreement, at will and without cause or penalty, upon providing the System Owners with at least one hundred and twenty (120) days’ written notice of termination.

6.03 Termination for failure to appropriate. Seagoville agrees to notify the System Owners within five (5) business days if Seagoville fails to appropriate funds for payment of its obligations under this Agreement. This Agreement will expire thirty (30) days after provision of the written notice.

6.04 Payment or refund of fees upon termination. Upon termination of this Contract on any day other than September 30 of a given year, any payment or refund shall be on a pro rata basis as set forth in Section 4.04 of this Agreement.

Section 7. Garland/Mesquite Radio System ILA; Waiver, Release and Covenant Not to Sue.

The Parties acknowledge that Garland and Mesquite have entered into the Garland/Mesquite Radio System ILA, a copy of which has been provided to Seagoville, regarding, inter alia, the installation, operation, administration, maintenance and implementation of the System and that pursuant to the Garland/Mesquite Radio System ILA, Mesquite has certain rights to terminate the Garland/Mesquite Radio System ILA as more fully set forth in the Garland/Mesquite Radio System ILA. The Parties expressly agree that this Agreement does not alter, affect, modify or amend the Garland/Mesquite Radio System ILA in any manner including, without limitation, this Agreement does not affect or limit in any way Mesquite's right to terminate the Garland/Mesquite Radio System ILA. The Parties further agree that in the event Mesquite exercises its right to terminate the Garland/Mesquite Radio System ILA under the terms and subject to the conditions set forth in the Garland/Mesquite Radio System ILA, (i) the System as defined in this Agreement and the Participant Agreement shall no longer include any components of the System owned solely by Mesquite; (ii) upon such termination, neither Garland nor Seagoville shall have any right to access or use the components of the System that are owned solely by Mesquite; and (iii) upon such termination, any access or use of the Shared Components of the System shall be limited to the rights of access and use, if any, that expressly survive the termination of the Garland/Mesquite Radio System ILA.

All payments made by Seagoville under this Agreement must be made from current revenues available to Seagoville.

9. Seagoville agrees to pay the System Owners a one-time fee of One Hundred and No/100 Dollars (\$100.00) for each Subscriber radio added to the System. This fee covers the administrative duties of the System zone controller and the initial programming of the new Subscriber. This fee shall be paid when Seagoville request the new Subscribers be added to the System.
10. Seagoville agrees to pay the System Owners a one-time fee of One Thousand Five Hundred and No/100 Dollars (\$1,500.00) for each console position added to the System.
