Soira	Teferi	Carmen Ayala	Marlina Simmons	25	Council District 6		Bachelor's degree	Hispanic Forum of Mesquite Mesquite NAACP		Mesquite Quality of Life Corporation Board/ Mesquite Economic Development Advisory	No		Yes	As a native of Mesquite and active community member I am looking forward to serving in the board member capacity to make Mesquite as best as it can be for its residents. I have a history of serving in multiple roles both in and outside of Texas to address constituents' concerns on their city's ability to fulfill its potential. For example, I served on the bond proposal committee of the Shreveport Economic Recovery Taskforce where I had the ability to generate broad support for a bond proposal from Shreveport's stakeholders in response to the pandemic restrictions placed on local governments and businesses. Apart from my experience researching the ways in which COVID-19 has affected local employment opportunities I am apart of the Mesquite NAACP and the Hispanic Forum of Mesquite. With my professional, civic, and political science background I will be able to represent the Mesquite community in this new position.
