Thank you for reaching out to us, as you can imagine we are extremely busy right now but first responders and medical facilities are our priority.

Our prices are \$199.99 minimum and then .025 cents a square foot over 8,000 square feet. Vehicles are \$16.99 each. Our product targets and kills Covid-19, flu, strep, stomach bug, staph, etc.. We kill 99.999% of germs and bacteria on all touch surfaces. We also provide a certificate once complete.

Send me a list of facilities to disinfect with sq footage and number of vehicles and we will bill accordingly once the jobs are completed. We have had several cities disinfect city offices and vehicles, we can provide that service if needed.
