Economic Development Incentives

1. Grant of Economic Development Incentives for Real Property Ad Valorem Taxes on the Mesquite Facility. Provided the Conditions Precedent set forth in Article VI of this Agreement have been satisfied and are then continuing, and subject to the applicable Economic Development Incentives Maximum described in Article VII, Sec. 6, the City hereby approves an economic development grant to the Company for each Incentive Tax Year during the Term of this Agreement, being January 1, 2025 to December 31, 2034, from the revenue in the City's general funds calculated annually by multiplying the total amount of taxes paid to the City for Ad Valorem Taxes for real property taxes assessed to the Mesquite Facility and collected by the City by fifty percent (50%).

2. Grant of Economic Development Incentives for Business Personal Property Ad Valorem Taxes for the Mesquite Facility. Provided the Conditions Precedent set forth in Article VI of this Agreement have been satisfied and are then continuing, and subject to the applicable Economic Development Incentives Maximum described in Article VII, Sec. 6, the City hereby approves an economic development grant to the Company for each Incentive Tax Year during the Term of this Agreement, being January 1, 2025 to December 31, 2034, from the revenue in the City's general funds calculated annually by multiplying the total amount of taxes paid to the City

for Ad Valorem Taxes for the Business Personal Property assessed to the Mesquite Facility and collected by the City by seventy-five percent (75%) for each Incentive Tax Year.

3. Other Taxing Entities. The Parties acknowledge and agree that ad valorem taxes assessed or collected against the Land, Building and Business Personal Property by the Mesquite Independent School District, the County of Dallas and/or any other taxing entity other than the City shall not be included in determining the amount of any Economic Development Incentive payable under the terms of this Agreement.

4. Payment of Economic Development Incentives. Provided all Conditions Precedent set forth in Article VI have been satisfied and are then continuing, the Economic Development Incentives set forth in Article VII, Sections 1 and 2, above shall be payable by the City to the Company in annual payments (referred to herein as “**Incentive Payments**”) on the later of: (i) June 1st of the calendar year following the Incentive Tax Year for which the Incentive Payment is payable; or (ii) sixty (60) days after all Conditions Precedent to the payment of such Incentive Payment have been satisfied. In no event shall the total amount of Incentive Payments exceed the Economic Development Incentives Maximum.

5. Funds Available for Payment of Economic Development Incentives. The grants of Economic Development Incentives payable by the City to the Company as more fully set forth in this Agreement are not secured by a pledge of Ad Valorem Taxes or financed by the issuance of any bonds or other obligations payable from Ad Valorem Taxes of the City. The Economic Development Incentive payable hereunder shall be paid only from funds of the City authorized by Article III, Section 52-a, of the Texas Constitution and Texas Local Government Code Chapter 380. Each Incentive Payment shall be subject to the City’s appropriation of funds for such purpose to be paid in the budget year for which the Incentive Payment is to be made. The provisions of this Article VII, Section 4 shall expressly survive the expiration or termination of this Agreement.

6. Economic Development Incentives Maximum.

(a) Except as provided in subsection (b) immediately below, the total cumulative amount of the Economic Development Incentives made through Incentive Payments to the Company under Article VII, Sections 1 and 2, under this Agreement, shall not exceed the maximum amount of One Million Five Hundred Thousand Dollars (\$1,500,000.00) (the “**Economic Development Incentives Maximum**”). In the event of any conflict between this provision and any other provision of this Agreement, this provision shall control.

(b) In the event the Company employs Employees who conduct their job duties at the Mesquite Facility in the following amounts and Wages for any of the following Incentive Tax Years, then the Economic Development Incentives Maximum shall be Two Million Five Hundred Thousand Dollars (\$2,500,000.00):

- (i) By end of Incentive Tax Year 1 (December 31, **2025**), Company employs at least fifty-two (**52**) Employees with an average Wage of no less than \$49,275.00 per year;
- (ii) For all of Incentive Tax Year 2 (December 31, **2026**), the Company employs at least fifty-two (**52**) Employees with an average Wage of no less than \$49,275.00 per year;

- (iii) For all of Incentive Tax Year 3 (December 31, **2027**), the Company employs at least ninety (**90**) Employees with an average Wage of no less than \$50,753 per year;
- (iv) For all of Incentive Tax Year 4 (December 31, **2028**), the Company employs at least one hundred and one (**101**) Employees with an average Wage of no less than \$50,753.00 per year;
- (v) For all of Incentive Tax Year 5 (December 31, **2029**), the Company employs at least one hundred and forty-one (**141**) Employees with an average Wage of no less than \$53,844.00 per year; and
- (vi) For all of Incentive Tax Year 6 and any Incentive Tax Year thereafter, Company employs at least one hundred and forty-one (**141**) Employees with an average Wage of no less than \$53,844.00 per year.

For clarification, this subsection (b) is not a condition precedent to Company's entitlement to Economic Development Incentives. Instead, this subsection (b) provides for Company to receive additional Economic Development Incentives, an increase of the Economic Development Incentives Maximum from \$1,500,000 to \$2,500,000, by paying its Employees a higher, average Wage than is required by Article VI, Section 2. For further clarification, should Company meet the requirements of this subsection (b) for any Incentive Tax Year provided above but not meet the requirement of this subsection (b) for a subsequent Incentive Tax Year, the Economic Development Incentives Maximum shall remain at \$2,500,000 provided all other conditions precedent, including but not limited to those in Article VI, are satisfied and continuing.

(c) This Agreement shall automatically terminate when the applicable Economic Development Incentives Maximum is paid.

7. Agreement Regarding Protest, Challenge or Appeal of Property Valuations. The Company acknowledges that a material consideration for the City's agreement to enter into this Agreement and to pay the Economic Development Incentives set forth herein is the City's expectation that the minimum real property and Business Personal Property taxable valuations of the Mesquite Facility will materially increase. The Company and/or the Landlord may protest, challenge or appeal the Business Personal Property and/or real property taxable value of the Mesquite Facility and/or Land for any Incentive Tax Year during the Term of this Agreement provided, however, in consideration of the City's agreement to enter into this Agreement and grant the Economic Development Incentives under the terms and conditions set forth herein, the Parties agree that if such protest, challenge or appeal results in a reduction in the valuation of the Land or Business Personal Property of the Mesquite Facility for such Incentive Tax Year to an amount less than ninety percent (90%) of the Minimum Taxable Valuations, then no Incentive Payment will be due or payable by the City to the Company for that Incentive Tax Year and any other Incentive Tax Year in which at least ninety percent (90%) of the foregoing Minimum Taxable Valuations are not achieved.

ARTICLE VIII

Should said default remain uncured, the non-defaulting Party shall have the right to exercise the exclusive remedies provided in Article IX of this Agreement.

ARTICLE IX Remedies

1. **City Remedies.** In the event of a Company Default that has continued uncured beyond any applicable grace or cure period, the City shall have no obligation to pay the Incentive Payment to the Company and the City shall have the right as its sole remedies to: (a) if already paid, recapture the prior year's Incentive Payments paid by the City to the Company as more fully set forth herein; and (b) terminate this Agreement by written notice to the Company in which event neither Party hereto shall have any further rights or obligations hereunder except for those that expressly survive the termination of this Agreement. In the event of an uncured Company Default and should the City have already paid an Incentive Payment to Company, Company shall immediately pay to the City, at

the City's address set forth in this Agreement, the amount of the Incentive Payment paid by City to Company for the preceding Incentive Tax Year plus interest at the rate equal to the lesser of: (i) the Maximum Lawful Rate; or (ii) five percent (5%) per annum, such interest rate to be calculated on each Incentive Payment being recaptured from the date such Incentive Payment was paid by the City until the date repaid by the Company to the City and such interest rate shall adjust periodically as of the date of any change in the Maximum Lawful Rate. The remedies provided in this Section are in addition to any other rights and remedies available to the City under this Agreement and applicable law.

2. Company Remedies. Upon the occurrence of a City Default that has continued uncured beyond any applicable grace or cure period, Company shall have the right as its sole remedies to: (a) terminate this Agreement by written notice to the City in which event neither Party hereto shall have any further rights or obligations hereunder except for those that expressly survive the termination of this Agreement; or (b) recover from the City the amount of any Economic Development Incentive then earned, owed and unpaid by the City as damages in accordance with the following provisions. The recovery of damages against the City shall not include attorney's fees, court costs, or consequential, punitive, exemplary, or speculative damages including, but not limited to, lost profits. The City and Company acknowledge and agree that this Agreement is not a contract for goods or services and the City's immunity from suit is not waived pursuant to Subchapter I of Chapter 271, V.T.C.A., Local Government Code, as amended. Alternatively, if and only in the event a court of competent jurisdiction determines the City's immunity from suit is waived under Subchapter I of Chapter 271, V.T.C.A., Local Government Code, the Parties hereby acknowledge and agree that in a suit against the City for breach of this Agreement or otherwise to recover damages:

(a) the total amount of damages, if any, awarded against the City shall be limited to actual damages in an amount not to exceed that of the Economic Development Incentive provided in Article VII of this Agreement earned by the Company, owed and unpaid by the City;

(b) any Economic Development Incentive past due and not paid following the required notice and cure period shall accrue interest at the lesser of: (i) the Maximum Lawful Rate; or (ii) five percent (5%) per annum beginning the day after expiration of the cure period until paid, and such interest rate shall adjust periodically as of the date of any change in the Maximum Lawful Rate; and

(c) the recovery of damages against the City shall not include attorneys' fees, court costs, or consequential, punitive, exemplary, or speculative damages including, but not limited to, lost profits.

3. Survival. All terms, provisions, agreements, covenants, conditions, obligations, rights and remedies of each Party pursuant to this Article shall expressly survive the expiration or termination of this Agreement.

ARTICLE X Miscellaneous Provisions

1. It is expressly understood and agreed by the Parties to this Agreement that if a Party's ability to satisfy any obligation under this Agreement is delayed by reason of war, civil

commotion, acts of God, inclement weather, governmental restrictions, regulations, or interferences, delays caused by franchised utilities or their contractors, fire or other casualty, court injunction, necessary condemnation proceedings, or any circumstances which are reasonably beyond the control of the Party obligated or permitted under the terms of this Agreement to do or perform the same, regardless of whether any such circumstances are similar to any of those enumerated or not, the Party so obligated or permitted shall be excused from doing or performing the same during such period of delay, so that the time period applicable to such performance, including without limitation, the Incentive Period, shall be extended for a period of time equal to the period such Party was delayed, but in no event shall the Incentive Period exceed more than ten years. Notwithstanding the foregoing, a force majeure event does not include: (1) any financial or economic hardship; (2) changes in market or economic conditions; (3) any default or failure (financial or otherwise) of the general contractor or any subcontractor, vendor or supplier of the affected Party; (4) insufficiency of funds; (5) any delay of the general contractor or any subcontractor, vendor or supplier, except for delay(s) as a result of an act or event defined herein as force majeure; or (6) a governmental order that prevents Company, Landlord or their contractors or subcontractors, from proceeding with the construction of any portion of the improvements to the Mesquite Facility as a result of the Company's, or Landlord's, or their contractors' or subcontractors', failure to comply with applicable law.

2. Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties hereto, their respective successors and permitted assigns provided, however, except as described below, notwithstanding anything contained herein to the contrary, this Agreement may not be assigned or transferred without the express written consent of the other Party, which shall not be unreasonably withheld. No assignment of this Agreement shall contain any terms in contravention of any provisions of this Agreement. No assignment of this Agreement shall be effective unless: (i) the assignment is in writing signed by the assignor and the assignee; (ii) the assignee assumes the assignor's obligation to timely keep and perform all terms, provisions, agreements, covenants, conditions and obligations of the assignor under the terms of this Agreement; (iii) a true and correct copy of such assignment has been provided to the City; and (iv) the City has approved such assignment in writing, with such approval not being unreasonably withheld. Every assignee shall be subject to and bound by all the provisions, covenants, and conditions of this Agreement and shall be required to obtain the prior written consent of the City with respect to any future or further assignment. Any attempted assignment in violation of the terms and provisions of this Agreement shall be void and shall constitute a material breach of this Agreement by Company and in the event Company attempts to assign this Agreement in violation of this section, the City shall have the right to terminate this Agreement with Company for cause by written notice to Company.

3. Notices. Any notice and/or certificate or statement required or permitted to be given to any Party under the terms of this Agreement shall be in writing and shall be considered properly given if sent by United States electronically tracked certified mail, return receipt requested, in a postage paid envelope addressed to the respective Party at the following addresses or by delivery of the notice in person to the intended addressee by hand delivery or by a nationally recognized courier service for overnight delivery having the ability to track shipping and delivery of notices including but not limited to services such as Federal Express or United Parcel Service (UPS). 11. Interpretation. Regardless of the actual drafter of this Agreement, this Agreement shall, in the event of any dispute over its meaning or application, be interpreted fairly and reasonably, and neither more strongly for or against any Party.

12. Waivers. All waivers, to be effective, must be in writing and signed by the waiving Party. No failure by any Party to insist upon the strict or timely performance of any covenant, duty, agreement, term or condition of this Agreement shall constitute a waiver of any such covenant, duty, agreement, term or condition. No delay or omission in the exercise of any right or remedy accruing to any Party upon a default of this Agreement shall impair such right or remedy or be construed as a waiver of any such breach or a waiver of any breach theretofore or thereafter occurring.

13. Governing Law; Venue. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Texas (without giving effect to any conflict of law principles that would result in the application of the laws of any state other than Texas). The Parties agree that venue of any suit to construe or enforce this Agreement shall lie exclusively in state courts in Dallas County, Texas.

14. **WAIVER OF CONSEQUENTIAL, PUNITIVE, EXEMPLARY OR SPECULATIVE DAMAGES.** THE COMPANY AND THE CITY AGREE THAT, IN CONNECTION WITH ANY ACTION, SUIT OR PROCEEDING ARISING FROM OR RELATING TO THIS AGREEMENT, EACH PARTY MUTUALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY CLAIM FOR CONSEQUENTIAL, PUNITIVE, EXEMPLARY OR SPECULATIVE DAMAGES. THIS SUBSECTION SHALL EXPRESSLY SURVIVE THE EXPIRATION OR TERMINATION OF THIS AGREEMENT.

15. Severability. The sections, paragraphs, sentences, clauses, and phrases of this Agreement are severable and, if any phrase, clause, sentence, paragraph, or section of this Agreement should be declared invalid, illegal or unenforceable by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect the validity or enforceability of any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Agreement and such remaining provisions shall remain in full force and effect and shall be construed and enforced as if the invalid provision had never been included in the Agreement.

16. No Partnership or Joint Venture. Nothing contained in this Agreement shall be deemed or construed by the Parties hereto, nor by any third party, as creating the relationship of partnership or joint venture between the Parties.

17. No Third Party Beneficiaries. There are no oral agreements between the Parties.

21. Usury Savings Clause. The Company and the City intend to conform strictly to all applicable usury laws. All agreements of the City and the Company are hereby limited by the provisions of this subsection which shall override and control all such agreements, whether now existing or hereafter arising and whether written or oral. In no event shall any interest contracted for, charged, received, paid or collected under the terms of this Agreement exceed the Maximum Lawful Rate or amount of non-usurious interest that may be contracted for, taken, reserved, charged, or received under applicable law. If, from any possible development of any document, interest would otherwise be payable to City in excess of the Maximum Lawful Rate, any such construction shall be subject to the provisions of this subsection and such document shall be

25. Execution of Agreement by Parties. If this Agreement is not executed by the Company and City within sixty (60) days after approval by the City Council of the City of Mesquite, Texas, this Agreement will be null and void and of no force or effect.

26. Time is of the Essence. THE PARTIES SPECIFICALLY AGREE THAT TIME IS OF THE ESSENCE OF EACH AND EVERY PROVISION OF THIS AGREEMENT AND EACH PARTY HEREBY WAIVES ANY RULE OF LAW OR EQUITY WHICH WOULD OTHERWISE GOVERN TIME OF PERFORMANCE.
