## MEMORANDUM

---

**TO:** Cliff Keheley, City Manager

**FROM:** David Gill, Chief of Police

**DATE:** November 25, 2025

**SUBJECT: Proposed Items for Purchase from State Seizure Account #SA25/26-350-01**

The following items are proposed for purchase from the State Seizure Account:

1. Camera Trailers Update \$13,500

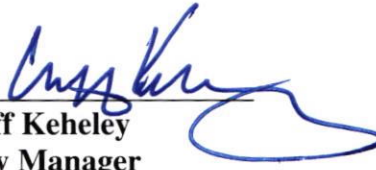

This request is for the allocation of \$13,500 from state seizure funds to update two currently non-functioning WCCTV camera trailers (Units 1750 and 1751), as well as a camera trailer in need of nycoil conduit replacement (Unit 1797). These were purchased in 2021 and are no longer in warranty or supported. The trailer platform is still in good working condition, but the loss of functionality of the camera systems has rendered them ineffective for their intended purpose. This expenditure will restore functionality and allow the department to regain operational value from the original purchase and maximize return. The funds will replace ten cameras (five from each trailer), and include the replacement of conduit necessary for operation, and any other installation costs and materials necessary to complete the upgrade.

2. Replacement Microphones and parts for Motorola Portable Radios \$14,000

This request is for the allocation of \$14,000 from state seizure funds to purchase thirty (30) additional remote speaker microphones (shoulder mics) and twenty (20) additional replacement belt clips for issued radios. This purchase will allow for the replacement of damaged should mics and belt clips, as well as maintaining a stocked supply for issuance through the department quartermaster, as needed.

Description of Items	Requested Amount

2. Replacement Microphones and parts for Motorola Portable Radios	\$14,000
