Payment is due for all ambulances upon delivery or prior to release for delivery from factory. Late payment and/or interest charges may be accessed.

Market Conditions Advisory: Critical circumstances caused by a unique mixture of global market issues have produced unprecedented challenges in the ambulance industry. Challenges include but are not limited to, extended OEM chassis lead times, severe labor and supply shortages and supplier exits from businss. These issues and pent up demand have caused ambulance industry lead times to accelerate to three (3) and four (4) times the norm. As well, some medical equipment suppliers are passing along price increases on their supplied equipment on short notice. These price increases will be passed along to to you as received from the vendor. As an example, Striker patient handling systems, Liquid Spring suspension systems and fuel/DEF costs have increased rapidly on short notice.

Notice for Used Venicles: If the vehicle(s) sold by Dealer under this order is sold as used or pre-owned vehicle, the unit is sold "AS IS" and Dealer makes no guarantee of any nature whatsoever in connection with the purchase of used vehicle(s), expressed of implied, [including no warranty that the adameter represents the actual mileage.
