Mr. Srin Mandayam
City of Mesquite

Re: Subject

Dear Mr. Mandayam:

MoboTrex's cabinets and signals are sold under the brand name Eagle Traffic Control Systems. The City of Mesquite's cabinet needs required a custom cabinet created specifically to meet these demands. This cabinet's current configuration is only available from MoboTrex.

Iteris, Inc. (Iteris) is the distributor for MoboTrex NEMA products for the state of Texas.

Sincerely,
Iteris, Inc.
