CASE SUMMARY

The applicant is requesting a Conditional Use Permit (CUP) to allow Sam's Nail Supply to operate within an existing structure at 3677 W. Emporium Circle. Sam's Nail Supply is a retail and wholesale business that sells various items used in nail salons, including nail polish, nail tools, accessories, personal protective equipment, and spa furniture.

This request was previously considered by the Planning and Zoning Commission in 2021 and was denied in a 5-1 vote. Following the denial, the applicant agreed to operate only as a retailer under the conditions of the issued Certificate of Occupancy. However, since that time, the City has been notified on multiple occasions that wholesale operations have continued at the property. As of November 3, 2025, the site also remains out of compliance with Building and Fire Code requirements.

According to their website, Sam's Nail Supply offers wholesale membership for individuals or businesses wishing to purchase nail supplies and equipment in bulk. The applicant has indicated that the subject property will be used for retail, wholesale, and as a distribution center. The retail component will allow customers to purchase nail supplies for personal use without a wholesale membership. The wholesale and distribution operations will include pickup and delivery of supplies. Sam's Nail Supply proposes to have two box trucks at the subject property to make deliveries to customers.

The applicant currently operates nine other Sam's Nail Supply locations in Garland, TX; Grand Prairie, TX; Dallas, TX; San Antonio, TX; Houston, TX; Oklahoma City, OK; Tulsa, OK; and Memphis, TN.

The Mesquite Zoning Ordinance (MZO) requires a CUP for wholesale trade operations of nondurable goods within a Commercial zoning district. Additionally, the subject property is located within the Town East Retail and Restaurant Area (TERRA) Overlay, which requires approval of a CUP for all wholesale trade uses.

MESQUITE COMPREHENSIVE PLAN

The *Mesquite Comprehensive Plan* designates the subject property within the Town East Special Planning Area on the Future Land Use Map (see attachment 4). The vision of the Town East Special Planning Area is to be a thriving regional retail and entertainment area that meets the changing needs and desires of the community. Town East Mall shall continue to serve as an anchor with complementary retail, offices, and hotels in the surrounding area.

STAFF COMMENTS:

The requested CUP to allow a nail supply store with wholesale trade operations is not consistent with the Mesquite Comprehensive Plan's *Town East Special Planning Area* designation. The future land use plan identifies retail, entertainment, office, and hotel uses as appropriate for this area. Wholesale trade and distribution uses are not considered compatible with the intended vision for the district.

MESQUITE ZONING ORDINANCE

SECTION 5-503: REVIEW CRITERIA FOR CONDITIONAL USE PERMITS

- 1. The extent to which the proposed CUP promotes public health, safety, and welfare.
 - STAFF COMMENTS: The proposed CUP does not promote public health, safety, and
 welfare. The business has previously operated in violation of the Certificate of
 Occupancy and continues to be out of compliance with Building and Fire Code
 requirements. These conditions raise concerns about the applicant's ability to maintain
 safe operations consistent with City standards.
- 2. The consistency of the proposed CUP with any adopted land use policies.
 - **STAFF COMMENTS:** The CUP request is not consistent with adopted land use policies, which encourage retail and entertainment uses within the Town East Special Planning Area and discourage wholesale/distribution operations that are better suited to industrial or light industrial areas.
- 3. The extent to which the proposed CUP created nonconformities.
 - **STAFF COMMENTS:** Approval of the CUP would not create nonconformities on the subject property. However, the property is currently operating in violation of the existing Certificate of Occupancy, which allowed retail use only.
- 4. The compatibility with the existing uses and zoning of nearby property, such that the proposed CUP will not be injurious to the use and enjoyment of other property in the immediate area for purposes already permitted, nor substantially diminish property values within the immediate vicinity.
 - STAFF COMMENTS: The subject property is located within a commercial corridor that serves as a regional retail and restaurant destination. Wholesale and distribution activities are not compatible with the surrounding retail uses and may negatively impact the character of the district. The requested CUP could be injurious to the use and enjoyment of nearby retail properties that are consistent with the Comprehensive Plan and zoning district intent.
- 5. The trend of development, if any, in the general area of the property in question.
 - **STAFF COMMENTS:** The trend of development in the Town East area continues to focus on regional-serving retail, restaurant, and entertainment uses. Wholesale trade is inconsistent with this development trend.

- 6. Whether adequate public facilities are available including, but not limited to, schools, parks, police, and fire protection, roads, sanitary sewers, storm sewers, and water lines, or are reasonably capable of being provided prior to the development of the uses which would be permitted on the subject property if the CUP were adopted.
 - **STAFF COMMENTS:** Existing utilities, access roads, and drainage facilities to the site are currently available and adequate for the proposed CUP. However, existing code compliance issues with the site's building and fire protection systems must be resolved before the use can safely operate.
- 7. The extent to which adequate measures have been or will be taken to provide sufficient offstreet parking and loading spaces to serve the proposed conditional uses.
 - **STAFF COMMENTS**: The site was originally developed for large-format retail and includes sufficient off-street parking.
- 8. Whether adequate measures have been or will be taken to prevent or control offensive lights, odor, fumes, dust, noise, and vibration so that none of these will constitute a nuisance and/or violate the Mesquite City Code, including the MZO.
 - **STAFF COMMENTS:** It is unclear whether the wholesale and distribution component of the use would create nuisance impacts.

CONCLUSIONS

ANALYSIS

The proposed CUP to allow Sam's Nail Supply to operate a wholesale business is inconsistent with the *Mesquite Comprehensive Plan* and does not meet the review criteria in Section 5-503(N), which may warrant denial.
