**PUBLIC HEARINGS****10**

Conduct a public hearing and consider an ordinance for Zoning Application No. Z0325-0390, submitted by Steve Meier on behalf of SRB Mesquite, LLC, for a change of zoning from Commercial within the Town East Retail and Restaurant Area (TERRA) Overlay District to Commercial within the TERRA Overlay District with a Conditional Use Permit (CUP) to allow a family entertainment center that will include indoor amusement, games, and activities (SIC 7999b), coin-operated amusement game room (SIC 7993), bowling centers (SIC 793), and major reception facility in the former Sears building located at 1738 North Town East Boulevard (also known as 3000 Town East Mall).

(No responses in favor or in opposition to the application have been received from property owners within the statutory notification area. The Planning and Zoning Commission recommends approval of the application.)

**A public hearing was held for Zoning Application No. Z0325-0390.**

Garrett Langford, Manager of Planning and Zoning, stated that the applicant is requesting a Conditional Use Permit (CUP) to allow Main Event to occupy approximately 58,000 square feet of the first floor of the former Sears building at Town East Mall, located at 1738 North Town East Boulevard. The property is owned by SRB Mesquite, LLC (Elm Creek Investments), which acquired the site in 2020 following the closure of Sears, with the long-term intent to redevelop the site. Main Event represents the first phase of the broader redevelopment effort.

Mr. Langford stated that Main Event offers a variety of attractions, including a full-service restaurant and bar, bowling, laser tag, arcade games, escape rooms, billiards, and meeting/party rooms. The venue typically operates seven days a week, from 11:00 a.m. to 12:00 a.m., with extended hours until 2:00 a.m. on Friday and Saturday. Main Event expects to hire approximately 200 employees. Under the Mesquite Zoning Ordinance (MZO), a CUP is required for several of the entertainment components associated with Main Event, including indoor amusement and games, bowling alleys, arcade rooms, and major reception facilities.

Steve Meier, representing SRB Mesquite, LLC, presented an overview of the redevelopment project. There are several potential tenants showing interest in a pad site. The redevelopment project will include a complete reconfiguration of the parking lot, pad sites near the frontage road, and the creation of green spaces and public spaces.

Applicant Daniel Rebensdorf, representing Dave & Busters and Main Event, stated that the interior of the building has been demolished but construction for the project will not begin until the lease negotiations have been completed.

Vivian Johnson, 4538 Live Oak Drive, expressed concerns regarding on-site security.

Brian Moore, representing Main Event, stated that all 61 Main Event locations have security. During weekends and high volume hours, there will be security officers present. Main Event will also work closely with mall security and local law enforcement.

No others appeared regarding the proposed application.

Mr. Casper moved to approve Zoning Application No. Z0325-0390, as recommended by the Planning and Zoning Commission, and to approve Ordinance No. 5162, AN ORDINANCE OF THE CITY OF MESQUITE, TEXAS, AMENDING THE MESQUITE ZONING ORDINANCE BY APPROVING A CHANGE OF ZONING FROM COMMERCIAL WITHIN THE TOWN EAST RETAIL AND RESTAURANT AREA ("TERRA") OVERLAY DISTRICT TO COMMERCIAL WITHIN THE TERRA OVERLAY DISTRICT WITH A CONDITIONAL USE PERMIT ("CUP") TO ALLOW A FAMILY ENTERTAINMENT CENTER THAT WILL INCLUDE INDOOR AMUSEMENT, GAMES, AND ACTIVITIES, COIN-OPERATED AMUSEMENT GAME ROOM, BOWLING CENTERS, AND MAJOR RECEPTION FACILITY IN THE FORMER SEARS BUILDING LOCATED AT 1738 NORTH TOWN EAST BOULEVARD (AKA 3000 TOWN EAST MALL); REPEALING ALL OTHER ORDINANCES IN CONFLICT WITH THE PROVISIONS OF THIS ORDINANCE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING A PENALTY NOT TO EXCEED \$2,000.00; PROVIDING PUBLICATION OF THE CAPTION HEREOF; AND PROVIDING AN EFFECTIVE DATE. Motion was seconded by Mr. Green and approved unanimously. (Ordinance No. 5162 recorded in Ordinance Book No. 134.)

Conduct a public hearing and consider an ordinance for Zoning Application No. Z1123-0338, submitted by Jason Shaw with Serenity Senior Living II, LLC., for a comprehensive plan amendment to change the future land use designation from Low Density Residential to Medium Density Residential and for a change of zoning from Agricultural to Planned Development - Townhomes with modified planned development standards to allow an age-restricted townhome development located at 2795 Clay Mathis Road.

(Two responses in favor and five in opposition to the application has been received from property owners within the statutory notification area. The Planning and Zoning Commission recommends approval with certain stipulations. This item was postponed at the October 21, 2024, and April 7, 2025, City Council meetings.)

A public hearing was held for Zoning Application No. Z1123-0338.

Garrett Langford, Manager of Planning and Zoning, stated that the applicant proposes to develop a four-acre property for an age-restricted townhome community. Each townhome will be situated on a lot ranging from approximately 2,600 to 3,800 square feet, with an anticipated living area of 1,400 square feet. There will be no alleys, and all units will include a front-entry and a one-car garage with a shared driveway between adjacent units. The original proposal included an assisted living facility with up to 48 beds; however, this component has been removed.

Mr. Langford stated that on September 23, 2024, the Planning and Zoning Commission voted 6-1 (Commissioner Chenault dissenting) to approve a comprehensive plan amendment from Low Density Residential to Medium Density Residential and a zoning change from AG - Agriculture to Planned Development (PD) - Townhomes to allow an age-restricted townhome development with 34 townhomes and an assisted living facility with certain stipulations.

Mr. Langford stated that at the October 21, 2024, City Council meeting, this request was postponed without a date certain to allow the applicant an

opportunity to revise the proposal. The applicant has since submitted a revised concept plan with the following changes:

- Removed the assisted living facility
- Increased the number of dwelling units from 34 to 35
- Added a dog park, open space, and pickleball court
- Included an access connection through the adjacent church property
- Added 19 guest parking spaces
- Added an 8-foot precast wall along the western property line

Mr. Langford stated that at the April 7, 2025, City Council meeting, this item was postponed to the May 5, 2025, City Council meeting. The applicant has since submitted a revised concept plan with the following changes:

- Decreased the number of dwelling units from 35 to 26
- Removed the pickleball court
- Added an assisted living facility
- Added a clubhouse

Mr. Langford stated that a revised concept plan was received after the agenda packet was finalized and there was not enough time for staff to re-notice for this request. Therefore, if the City Council chooses to consider the revised concept plan, the item will need to be postponed without a date certain. He stated that 25 percent of the notification area opposes the application. Therefore, a 3/4 vote of all members of the City Council is required for approval.

Applicant Jason Shaw, representing Serenity Senior Living II, LLC, presented an overview of the proposed development, Cornerstone Oaks, which will be an active 55+ adult community with privately-owned townhomes and on-site assisted living facility. Cornerstone Church is located adjacent to the proposed development and per a Memorandum of Understanding, the church will share open space with the proposed development which will include a serenity park, pickle ball courts and a small walking trail. The proposed assisted living facility would care for approximately 16 to 20 residents.

Mr. Shaw stated that a Homeowners Association (HOA) membership will be mandatory for both residential and non-residential uses. The HOA will manage common areas and community shared space as well as the front exterior landscaping of both residential and non-residential properties. HOA covenants will detail and manage the age restriction requirement (55+) in accordance with State and Federal law through a Master Deed/Declaration. An annual audit is to be conducted by the HOA to ensure compliance with this requirement by each resident. Homeowners may lease their homes but must wait 12-months from the date of deed transfer and the lease must be with a resident age 55 or older.

(1) The following persons expressed opposition to the proposed application: (1) Karen Dyer, 2450 Edwards Church Road; and (2) Tammy Jo Strong, 1713 Cool Springs Drive.

(2) Dan Brower, Pastor, Cornerstone Baptist Church, 2829 Clay Mathis Road, expressed support for the proposed application.

No others appeared regarding the proposed application.

Mr. Boroughs moved to deny Zoning Application No. Z1123-0338. Motion was seconded by Mr. Smith. On call for a vote on the motion, the following votes were cast:

**Ayes:** Boroughs, Smith, Alemán, Casper, Green

**Nays:** Rodriguez-Ross, Murden

**Motion Carried.**

A. Conduct a public hearing under Section 311.003 of the Texas Tax Code to consider approving a second amended Project Plan and Reinvestment Zone Financing Plan for Gus Thomasson Tax Increment Finance Reinvestment Zone (TIRZ) No. Eight, City of Mesquite, Texas ("the Zone"), increasing the total estimated project costs for the Zone, making a finding of feasibility, and other related matters.

B. Consider an ordinance approving a second amended Project Plan and Reinvestment Zone Financing Plan for Gus Thomasson Tax Increment Finance Reinvestment (TIRZ) Zone No. Eight, City of Mesquite, Texas ("the Zone"), increasing the total estimated project costs for the Zone, making a finding of feasibility, providing a repealer clause, providing a severability clause, and providing an effective date.

A public hearing was held to consider an ordinance approving a Second Amended Project Plan and Reinvestment Zone Financing Plan for Gus Thomasson Tax Increment Finance Reinvestment Zone (TIRZ) Number Eight.

Ted Chinn, Director of Finance, stated that the City is currently in year nine of a 20-year TIRZ. On December 18, 2017, the City Council approved an Amended Project Plan and Reinvestment Zone Financing Plan for the Gus Thomasson Tax Increment Finance Reinvestment Zone (TIRZ) No. Eight to expand the contiguous boundaries of the Zone southwest along IH-30 to Big Town Boulevard, and south along Motley Drive to the North Town East Boulevard and Motley Drive intersection, and to update projected revenues and project expenditures.

Mr. Chinn stated that on May 5, 2025, the TIRZ Board of Directors adopted a Second Amended Project Plan and Reinvestment Zone Financing Plan to update the Project Plan since it was last updated on December 18, 2017. The updated Project Plan includes \$185,000.00 for the North Gus Thomasson Road Corridor Study that Council will consider approving on May 5, 2025, as well as several incentive projects related to Chapter 380 Economic Development agreements entered with developers who have either undertaken or will undertake redevelopment or new development projects within the Zone.

Mr. Chinn stated that amendments to a TIRZ Project and Financing Plan can only take effect upon approval by the City Council. In addition, State law requires the City Council to hold a public hearing before approving an amendment if that amendment increases the total estimated project costs. The proposed Second Amended Project Plan and Reinvestment Zone Financing Plan will increase the total estimated project costs as described in Exhibit 1 of the proposed ordinance.

Vivian Johnson, 4538 Live Oak Drive, expressed concerns regarding traffic at the IH-30 bridge.
