Summary: MHD continues to promote the Homeownership Program by including informational flyers in voucher briefing packets and advertising the program on our website, the resource board in the lobby, and in each office. Interested participants may join an interest list and receive follow-up letters outlining program requirements, homeowner resources, and a step-by-step overview of the homeownership voucher process. To encourage self-sufficiency and homeownership, MHD also shares job opportunities and staffing agencies on the lobby's resource board. MHD holds group voucher briefings where subsidy standards, poverty percentages, rent reasonableness versus rent affordability, RTA process, inspections, and general tenancy practices are discussed. The briefing presentation is regularly updated to reflect participants' evolving needs. MHD has a property availability binder that is updated every 30 days and participants are also provided a list of owners that are willing to work with housing vouchers when they are issued a voucher. MHD jurisdiction covers 135 zip codes, and our payment standards are 100% of SAFMR for Dallas County. Participants have responded positively to MHD's enhanced communication efforts through mass emails, the Assistance Connect portal, and an increasingly informative website. MHD will continue focusing on strengthening the website as a central hub for resources, presentations, videos, and agency updates. While MHD cannot provide legal advice, we continue to support tenants by posting legal aid and tenant rights resources in our lobby, offices, and on our website. As part of the 2025–2029 Consolidated Plan, MHD consulted the Resident Advisory Board (RAB) to further explore the highest priority needs identified in our resident survey. A key area of discussion was the need for senior services and access to affordable, safe senior housing. In response, MHD continues to collaborate with the City of Mesquite CDBG Division, which partners with senior service providers through subrecipient funding. Resources for these services are regularly shared with participants in our joint lobby, along with additional materials from CDBG related community partners. We also display the monthly calendar of events from the Senior Center, including the free senior meal menu, and the quarterly activity guide hosted by the City of Mesquite Parks and Recreation department. Available senior housing options are advertised in our property availability binder, and affordable housing booklets in our lobby. Additionally, our landlord list—provided in every voucher briefing folder—highlights ADA-accessible units and senior living communities within our jurisdiction. While MHD does not have the capacity to hire a dedicated housing navigator, staff provide detailed explanations of the move process and are available for one-on-one meetings to assist participants in locating and securing appropriate housing.

D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing. (Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

Provide a statement of the PHA's strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

Fair Housing Goal: Deconcentration of Poverty, Race/Ethnicity, Public Assisted Housing (R-ECAP) - Neighborhood Conditions Impediment

Describe fair housing strategies and actions to achieve the goal

The goal of de-concentration is to achieve minority concentrations and poverty level less than defined above by R-ECAP and the transform areas of concentration into "opportunity area". Opportunity areas are characterized as areas offering access to

quality goods and services, exemplary schools, health care, range of housing, transportation to employment and service centers, adequate public infrastructure, utility and recreation.

Fair Housing Goal: Housing affordability and insufficient income, and cost burden - Neighborhood Condition, Banking and Finance, and Public Policy Impediment

Describe fair housing strategies and actions to achieve the goal

The first considerations when attempting to increase homeownership rates should include improving the financial literacy and home buying preparedness of potential buyers. The City should work with local employers to market Employer Assisted Housing (EAH) as a means of creating homeownership opportunities for the workforce.

PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations including PHA Plan Elements that Have Changed

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the X 5-Year and/or X Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning 10/2025, in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d—4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an

AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.

8. For PHA Plans that include a policy for site-based waiting lists:

- The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);
- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
- Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
- The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
- The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).

9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.

10. In accordance with 24 CFR § 5.105(a)(2), HUD's Equal Access Rule, the PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.

11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.

12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
