RE: RECOMMENDATION OF AWARD OF CONTRACT

Heritage Building Alley Pavement & Utility Improvements (City Contract No. 2022-022)

Dear Mr. Cassidy,

On March 29, 2022, a single bid was received for the referenced project. The bid was received for an amount not to exceed \$341,535.00.

Funding for this project is provided by TIF (Towne Centre) and Capital Projects Bond funds.

We have reviewed the qualification information and financial statement provided to us by Estrada Concrete Company, LLC. We are also familiar with the work of Estrada having contracted with the City recently to do Paving Improvements for Galloway Place Neighborhood and Northridge Addition Repairs Project, a \$1,185,298.00 project. The contractor was excellent to work with and was agile to the needs of the City in the field. They completed the project to our satisfaction.

We recommend that the City of Mesquite award the contract for the Heritage Building Alley Pavement & Utility Improvements (City Contract No. 2022-022) to Estrada Concrete Company, LLC., in the amount of \$341,535.00.

Please let me know should you need additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Wes McClure", is written over a light blue rectangular background.

Wes McClure, PE, CFM
Assistant City Engineer
City of Mesquite, Texas
