Dear Mr. Holzapfel:

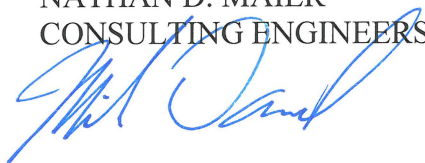

On behalf of the Mesquite Independent School District, please accept this as a formal request to abandon a portion of an existing sanitary sewer easement on the above referenced site. The portion to be abandoned will be under the proposed school building. A replacement easement will be dedicated by a replat of West Mesquite High School Addition, Block A, Lot 1R-1. And, the related sanitary sewer line will be rerouted in the replacement easement with the construction of the new middle school campus.

Enclosed are 3 original copies of survey exhibits showing the easement area to be abandoned. Also enclosed is a copy of the plat that dedicated the original easement.

Please bill the School District for the \$500.00 fee associated with this request.

Thank you,
