Todd Bonneau, representing Bill Woodall, owner of Lot 9, Block 2 of Brookhaven Estates 7 subdivision, more commonly know as 3235 Golfing Green as 3235 Golfing Green Drive, is requesting permission to construct a new home with garage doors facing the street where other homes do not. Section 3.3 H 2(h) of the Comprehensive Zoning Ordinance prohibits vehicle entrance prenings facing the street

prohibits vehicle entrance openings facing the street in the front half of the lot when at least 75% of the homes on the block do not have vehicle entrance openings facing the street in the front half of the lot However. Lots within R-3, R-4, R-5 and R-6 zoning districts that have less than 81 feet of street frontage may locate a front facing agrage door as long as a minimum front facing garage door as long as a minimum setback 10 feet greater than that of the main structure is provided. A variance to allow the home with garage doors facing the street, on a lot with 92 feet of street frontage, would be

required to allow a permit to be issued. The Zoning Board of Adjustment urges all property owners to make their desires known by either attending the public hearing or by writing the Zoning Board of Adjustment, Hugh Pender, Building Official, 13000 William Dodson Parkway, Farmers Branch, Texas 75234.
