RE: Appeal of Commission Denial – Zoning File No. 167-4-2017

Members of Council,

Vaquero Ventures on behalf of Fred Chambers would like to request that our appeal of Commission Denial for Zoning File No. 167-4-2017 be pushed back to the June 19, 2017 meeting.

This request would grant us the time we need to meet with the neighbors to address their concerns with our development plans.

Thank you for your consideration.

Sincerely,

Kelly Agnor
