

May 24, 2017

Ms. Christina Hickey, P.E.
Project Engineer
City of Mesquite
1515 North Galloway Avenue
PO Box 850137
Mesquite, TX 75185-0137

Ref: 2017 Large Diameter RCP Sanitary Sewer Rehabilitation By CIPP
City Contract No. 2017-051
HZ Project No. R306549.01

Dear Ms. Hickey:

Bids were received at the City of Mesquite purchasing office on May 18, 2017 at 2:00 PM, for the referenced project. We have reviewed and tabulated the bid proposals.

Three (3) bids were received and opened publically shortly after 2:00 PM. The low bidder for the work was Insituform Technologies, LLC, in the amount of \$2,132,414.77. Layne InLiner, LLC was the second bidder at \$2,224,344.75, and PM Construction was the third bidder at \$2,608,263.46. The bid tabulation is attached.

Huitt-Zollars has worked on previous projects with Insituform Technologies, LLC, and they recently completed two similar sewer rehabilitation projects for the City of Mesquite. Additionally, we had also contacted certain project references provided for similar municipal projects. Based on the references and Huitt-Zollars past experience, we recommend the selection of Insituform Technologies, LLC as the Contractor for the referenced project.

Please call if you have any questions.

Sincerely,

Huitt-Zollars, Inc.

John Ho, P.E.
Vice President
