RE: *Horn High School*
Partial Abandonment – Water Easement
NDM Job No. 17-40-025

Dear Mr. Nesbit:

On behalf of the Mesquite Independent School District, please accept this as a formal request to abandon a portion of an existing water easement on the above referenced site. The portion to be abandoned will be under a proposed school building addition or otherwise no longer needed. A replacement easement system will be dedicated by a replat of Dr. John D. Horn High School Addition. And, the related water system will be rerouted in the replacement easement system with the construction of the new school addition.

Included is a set of survey exhibits showing the easement area to be abandoned. Also included is a copy of the plat that dedicated the original easement.

Please bill the School District for the \$500.00 fee associated with this request.

Thank you,

NATHAN D. MAIER
