

# WALTER P MOORE

May 21, 2018

Mr. Curtis J. Cassidy, P.E., CFM  
Assistant City Engineer | Engineering Division  
City of Mesquite  
1515 N Galloway Ave  
Mesquite, Texas 75149

Re: Westover Greenbelt Pedestrian Bridge Replacement – Mesquite, Texas  
City of Mesquite City Contract No. 2018-004  
Walter P. Moore and Associates Project Number C04-17009-00

Dear Mr. Cassidy:

We have reviewed the lump sum bid arithmetic for each bid received for the above referenced project. Ratliff Construction had a slight error in their tabulation, but it did not change the results of the bid. The low bidder is Wall Enterprise, and they have been in the industry for more than thirty years as a General Contractor.

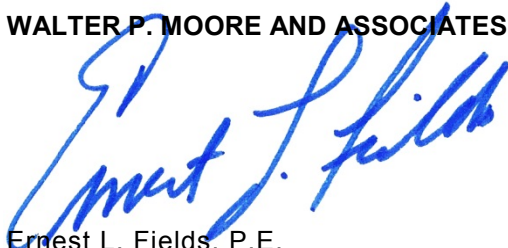

The Wall Enterprise bid of \$119,918.10 was slightly higher than our opinion of probable construction costs (\$111,430.00); however, it is significantly less than other bidders as shown in the following table.

Wall Enterprise	Ratliff Construction	HQS Construction LLC	Ragle, Inc.
\$119,918.10	\$178,119.50	\$180,600.00	\$264,150.00

We recommend that the City accept the bid and award the contract to Wall Enterprises, Inc. If you have any questions, please don't hesitate to contact us at 214.740.6200.

Sincerely,

**WALTER P. MOORE AND ASSOCIATES, INC.**

Ernest L. Fields, P.E.  
Principal
