Subject: FW: [External] Animal Services Advisory Board

Jeanne,

I have decided to resign from my position with Mesquite Animal Pawtners, and therefore must also resign from my position on the Animal Services Advisory Board as a representative of an animal rescue organization. Had I anticipated this development I would not have applied to begin with, but nevertheless I have enjoyed the time that I was able to serve and learn. Thank you for all you do for the shelter animals.

Sincerely,

Holly Rodriguez
