All:

Per Mr. Srini Mandayam (Manager of Traffic Engineering), the new Rutherford school zone will be placed on the September 4th City of Mesquite Council Agenda. After approval, the City will schedule the installation.

Regards,

JEH

I can help but it will probably be best if James Huckaby were involved. He handles the school zones with the City.

Hi holly, it's Krystal Aguado. I just realized the school zone signs are not updated to the new school. I live on the end house when you exit the school and my neighbors house has a "end of school zone" sign in their yard which would be the start of the school coming from the street seashell.

Just want to let you know.
Have a great rest of your Sunday!
