## **Additional Specifications:**

### **ALTERNATOR**

Alternator Insulation: Stamford Alternator Class H  
Exciter Field Circuit Breaker: No  
Alternator Excitation: Standard

### **ENGINE**

Engine Governor Type: Electronic  
Coolant Radiator: Unit mounted  
Coolant Heater: Unit Mounted  
Battery: Standard Starting Battery

### **CONTROL**

Genset Controller: Microprocessor Based

### **ENCLOSURE**

Enclosure Option: Steel – 150MPH Rated  
Integrated Vibro Mounts: Elastomer

### **EXHAUST**

Exhaust Mounting Method: Internally mounted – Critical Grade

### **POWER CONNECTION**

Circuit Breaker: 1  
1 Circuit Breaker Amp: 100 Amp  
1 Circuit Breaker Volt Frame: 600  
1 Circuit Breaker Pole: 2 Pole  
1 Circuit Breaker Mount Loc.: Unit mounted

### **Product Manuals**

Copies of Operating Manual: 1

### **WARRANTY**

Parts Warranty: 2 Year / 1000 Hours  
Labor Warranty: 2 Year / 1000 Hours

## TERMS, CONDITIONS, AND DISCLOSURES

### TERMS

**Credit Terms:** Standard credit terms are NET-10 days from date of invoice. Merchandise is shipped F.O.B. shipping point and invoices will be generated at that time. Payment is due no later than 10 days from invoice date. Charges not paid within 10 days are considered past due. Past due accounts are subject to suspension and finance charges of 1.5% per month, on the past due balance, with interest charges accruing from the invoice date. Orders over \$50,000 are subject to progress payments of 35% upon order, 55% prior to shipment, and 10% net 10 days from date of invoice. Export terms are required to be paid in full prior to shipment. If credit cards are used for purchases, a 3% fee will be added to the invoice for any charges over \$5,000.00.

**Payment Terms:** Quoted terms are subject to Credit Terms contained in the LJPower Credit Application documents and this document. (1 1/2% per month will be charged on past due accounts.) In addition, no retainage allowed unless accepted in writing by LJPower; not to exceed 10%. Taxes are not included unless specifically stated in the proposal.

**Partial shipments:** invoiced proportional to total quoted price, payable 10 days after Shipment/LJPower invoice.

- **Note:** If your job conditions or schedule result in partial or incomplete shipment of products and equipment provided by LJPower, you will be invoiced according to the dollar value of the shipped items. These invoices then become due and payable 10 days after shipment and not when the job is completed.

### CONDITIONS OF SALE

- All purchase orders must reference LJPower quotation
- All purchase orders must be acknowledged in writing by LJPower to be deemed accepted.
- Purchase orders issued with a hold for release date are subject to re-evaluation at the time of release.
- Unless mutually agreed upon in writing, LJPower WILL NOT accept purchase orders which:
  - specify delivery dates that are not subject to manufacturer's lead-times
  - contain penalty clauses or liquidated damage clauses
  - require LJ Power to indemnify and hold harmless the purchaser, unless the purchaser also agrees to indemnify and hold harmless LJPower
  - require LJPower to pay any and all legal expenses for the purchaser in the event of a dispute
  - require LJPower to be responsible for system design work and/or guarantee that a performance standard for a system will be met
  - require completion and acceptance of the project by the owner before payment
- Start and Test may be invoiced separately at your request, but subject to LJPower partial invoicing policy above
- Storage fees may be assessed if job site is not able to accept delivery on the requested date.
- Initial Startup, Test, and Specifications are as specified in the proposal

### DISCLOSURES

**Deliveries:** Offloading, placement and Anchoring of the goods shall be solely customer responsibility. All deliveries are Monday through Friday 6AM to 5PM. (Deliveries outside normal business hours will be INVOICED as necessary.)

**Permits And Licenses:** Permit and license costs (AQMD, Fire, Building, etc.) are not included. LJ Power, will provide information as necessary for the acquisition of permits and licenses, but does not assume any responsibility for obtaining any permits or licenses which may be required.

**Not a Contractor:** LJ Power is a supplier of materials and related services; LJPower is not a contractor. LJPower will invoice you only for goods which are delivered.

**Cancellation:** Cancellation charges of 25% will apply if order is cancelled after accepted by LJPower.

**Legal Remedy:** If legal action is instituted to collect amounts owed or to recover materials or supplies purchased, the applicant agrees to pay all reasonable attorney's fees and appellate attorney's fees and costs incurred by LJPower. Venue for any litigation (and depositions) between the parties for any claims relating to debt collection for merchandise, supplies, or equipment purchased hereunder, or hereafter, shall be in Texas only. The parties do hereby waive their right to trial by jury for any litigation arising between the parties and any claims relating to debt collection for merchandise, supplies, or equipment purchased hereunder, or hereafter.

In support of this application, LJPower is hereby authorized to obtain credit and/or financial information from my/our bank(s), other financial institutions or commercial firms with whom I/we have done business. It is understood that any such credit and/or financial information will be held in strict confidence and used only in consideration of this application.

Upon approval of this application, it is agreed that all purchases will be paid in full and in accordance with the terms of sale as stated on LJPower invoices.
