Exhibit 4
PHA Plan Development Process

Section Two: Overview of the PHA Plan Process

2.5 The PHA Plan Development Process and Timeline

This section of the Guide reviews the basic steps to PHA Plan development. Many of these steps require coordination with other organizations and agencies, as well as the Resident Advisory Board (RAB). It is important, therefore, that the PHA begin the Plan development process well ahead of the due date for the Plan (which is 75 days prior to the commencement of the PHA's fiscal year). The steps to completing the Plan are discussed below. Exhibit 4 illustrates the process.

See generally
Notice PIH 99-51,
Notice PIH 2000-
43, Notice PIH
2001-4 and 24
CFR 903

1. **Establish Schedule:** The first step in the plan development process is to establish a schedule for the plan's completion. The Annual PHA Plan is due **75 days prior to commencement of the PHA's fiscal year**. The PHA's schedule for plan development should build in sufficient time for the following: submission of the plan by the due date; the 45-day public review period; the public hearing and incorporation of public comments received on the plan; and obtaining the proper signed certifications and board certification. As is clear from the sample timeline below, the PHA should begin the process of plan development well ahead of the due date for submission.
