**CITY OF MESQUITE
CITY SECRETARY**

TO: THE HONORABLE MAYOR AND COUNCIL OF MESQUITE

This petition (the "Petition") is submitted and filed with the City Secretary of the City of Mesquite, Texas (the "City"), by Faithon P. Lucas, Jr. Family Trust, Lucas Farms Joint Venture, George F. Lucas Irrevocable Descendants Trust, and HC Solterra, LLC (collectively, the "Owners"), acting under the provisions of Chapter 372, Texas Local Government Code, as amended (the "Act"), requesting that the City create a public improvement district (the "District") to include property owned by the Owners and located within the corporate limits of the City (the "Property"), more particularly described in Exhibit A and depicted in Exhibit B. Owners have entered into contracts for the sale of the Property to HC Solterra, LLC, a Texas limited liability company (the "Developer"). Developer intends to acquire and develop the Property over time in multiple phases primarily as a residential housing development; and, Developer has entered into that certain *Solterra Development Agreement*, dated October 19, 2020, between the Developer and the City (the "Development Agreement") which by its term applies to each portion of the Property once acquired by the Developer. As set forth in the Development Agreement, the City and the Developer desire to create the District to finance a portion of the costs of certain public improvements that confer a special benefit to the Property. Owners have agreed to cooperate with Developer in requesting the creation of the District under the provisions of the Act. In support of this Petition, the Owners present the following:

Section 1. General Nature of the Authorized Improvements. The purposes of the District include the design, acquisition, and construction of public improvement projects authorized by Section 372.003(b) of the Act that are necessary for development of the Property, such public improvements (collectively, the "Authorized Improvements") will include: (i) design, construction and other allowed costs related to street and roadway improvements, including related sidewalks, drainage, utility relocation, signalization, landscaping, lighting, signage, off-street parking and right-of-way; (ii) design, construction and other allowed costs related to storm drainage improvements; (iii) design, construction and other allowed costs related to water, wastewater and drainage (including detention) improvements and facilities; (iv) design, construction and other allowed costs related to erection of fountains, distinctive lighting and signs; acquisition and installation of pieces of art; (v) design, construction and other allowed costs related to parks, open space, and recreational improvements, including trails, landscaping, and irrigation related thereto; (vi) design, construction and other allowed costs related to projects similar to those listed in subsections (i) - (v) above authorized by the Act, including similar off-site projects that provide a benefit to the Property within the District; (vii) payment of expenses incurred in the establishment, administration and operation of the District; and (viii) payment of expenses associated with financing such public improvement projects, which may include but are not limited to, costs associated with issuance and sale of revenue bonds secured by assessments levied against the Property. These Authorized Improvements shall promote the interests of the City and confer a special benefit on the Property.

Section 2. Estimated Cost of the Authorized Improvements. As set forth in the Development Agreement, the estimated total cost of the Authorized Improvements is \$295,000,000.

Section 3. Boundaries of the Proposed District. The District is proposed to include the Property.

Section 4. Proposed Method of Assessment. The City shall levy an assessment on each lot within the District to pay the cost of the Authorized Improvements in a manner that results in imposing equal shares of the cost on property similarly benefited. Once levied, each assessment may be paid in full at any time (including accrued and unpaid interest) or may be paid in annual installments (including interest and debt). The annual installments must be paid in amounts necessary to meet annual costs for the Authorized Improvements and must continue for a period necessary to retire the indebtedness on the Authorized Improvements.

Section 5. Proposed Apportionment of Cost between the District and the City. The City shall not be obligated to provide any funds to finance the Authorized Improvements other than assessments levied within the District and revenues from a tax increment financing zone established by the City. The cost of the Authorized Improvements will be paid solely from the assessments, revenues from a tax increment financing zone established by the City, and from other sources of funds available to the Developer.

Section 6. Management of the District. The Owners propose that the District be managed by the City, with the assistance of a consultant, who shall, from time to time, advise the City regarding certain operations of the District.

Section 7. Owners Request Establishment of the District. The persons signing this Petition request the establishment of the District.

Section 8. Advisory Board. The Owners propose that the District be established and managed without the creation of an advisory body.

This Petition has been signed by (1) the owners of taxable real property representing more than 50 percent of the appraised value of taxable real property liable for assessment under the proposal, as determined by the current roll of the appraisal district in which the property is located; and (2) the record owners of real property liable for assessment under the proposal who: (A) constitute more than 50 percent of all record owners of property that is liable for assessment under the proposal; or (B) own taxable real property that constitutes more than 50 percent of the area of all taxable real property that is liable for assessment under the proposal.

This Petition may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

This Petition is hereby respectfully submitted on the 4th of February 2021 to be filed with the City Secretary of the City in support of the creation of the District by the City Council as herein provided. The undersigned request that the City Council of the City call a public hearing on the advisability of the Authorized Improvements, give notice thereof as required by law, and approve the request as above stated.
