Re: City of Mesquite contract with FCC Environmental Services of Texas, LLC for Recycled Material Processing

Dear Mr. Goodson,

The City of Mesquite (the "City") and FCC Environmental Services of Texas, LLC. ("FCC") entered into a Recycled Material Processing Agreement (the "Contract") with an effective date of February 28, 2017.

Following the conversations held over the last days on regards, this letter serves to communicate that starting February 21, 2021 FCC is proposing a flat tipping fee for the recyclables of the City of \$60/ton for the renewal of this contract coming up on February 20, 2021.

Sincerely,

Andrea Rodriguez  
Director of Recycling
