Mr. Rick French  
Director, Human Resources  
PO Box 850137  
Mesquite TX 75185-0137

Dear Mr. French,

It has been my pleasure to get to know you and your staff through my service on the Civil Service Commission. I hope that my deliberations and subsequent decisions with the other commissioners have been in the best interest of the entire city. It has broadened me.

Through a series of serious discussions, Emily and I have decided to move to a 55+ apartment in Garland. Therefore, I must submit my resignation as a member of the Civil Service Commission, effective immediately.

Please extend my sincere thanks to your staff for all their help, to Mr. Young for his expert guidance, and Ms. Shepard and Ms. DeLeGarza for so graciously sharing the dais with me.

Thank you for always being available to answer questions without bias and being a strong advocate of the established rules of procedure. I wish you well in your continuing service to the city.

Sincerely,

Terry Joe Tosch
