PUBLIC HEARINGS

20

Conduct a public hearing regarding proposed changes in public transportation.

Valerie Bradley, Managing Director of Community Services, stated that the current public transportation offerings in Mesquite include the City of Mesquite Passenger Shuttle Service (COMPASS) from Hanby Station to Lawnview Station and the demand response service provided by STAR Transit. The public hearing today is for the COMPASS services. COMPASS operates weekdays from 5:00 a.m. to 7:00 p.m. Buses operate every half hour from 5:00 a.m. to 9:00 a.m., as well as 4:00 p.m. to 7:00 p.m., and hourly from 9:00 a.m. to 4:00 p.m.

Ms. Bradley reviewed the COMPASS annual expenditures and stated that the City subsidizes approximately half of the annual cost with the remaining funds received in federal and state grants. The COMPASS ridership total trips has decreased from 29,464 in Fiscal Year (FY) 2016 to 20,186 in FY17. The proposed changes to the COMPASS Service include eliminating the midday service and adding stops at the Neighborhood Walmart and Rodeo Center. Additional public hearings are scheduled for Thursday, March 29, 2018, at 6:30 p.m. and Monday, April 2 at 7:00 p.m.

Rhonda Steward, 1426 Sandalwood Drive, suggested better advertisement of the COMPASS service and expressed support for continuing public transportation services and adding locations.

Susie Hess, 2905 Clearwater Drive, expressed support for a bus loop system in Mesquite.

No others spoke regarding the proposed changes in public transportation.

A. Conduct a public hearing regarding the Parks and Recreation Department Youth Programs Standards of Care.

B. Consider an ordinance repealing Ordinance No. 4473 in its entirety and adopting a revised Parks and Recreation Department Youth Programs Standards of Care.

A public hearing was held to consider the Parks and Recreation Department Youth Programs Standards of Care.

Nikki Sassenus, Manager of Recreation Services, stated that the Youth Programs Standards of Care (SOC) is reviewed annually and adopted by ordinance, after holding a public hearing. State law allows municipalities to adopt a SOC providing for self-regulation of after school and summer youth programs and

exempts the City from State child-care licensing requirements. Staff is recommending additional changes to the SOC such as adding a non-discrimination statement, reporting suspected child abuse or neglect, and personal electronic device and cell phone use by participants. Additionally, staff is recommending the addition of child tax credit policy, discipline policy, and pickup and payment policy to the SOC.

No one appeared regarding the Parks and Recreation Department Youth Programs SOC.
