A public hearing was held to consider an Economic Development Program Chapter 380 Agreement with LF Gateway LP for construction and development of the property located at 3201 East Cartwright Road.

Kim Buttram, Director of Economic Development, stated that the 6.787-acre tract is located at East Cartwright Road and Faithon P. Lucas, Sr., Boulevard ,

adjacent to John D. Horn High School. LF Gateway LP purchased this property noting a market need in the area for new commercial development and the anticipation of future residential development in Southeast Mesquite. The proposed development, Shadow Creek Crossing, is being marketed by DBA Commercial Real Estate with an anticipated capital investment of \$16 million. The agreement will require that the development contain 42,500 – 57,000 square feet of retail space.

Ms. Buttram stated that the agreement would require some public improvements and preliminary site plan improvements. The development will consist of five to six freestanding retail buildings providing walkability and patio dining. Exceptional costs of developing the site to improve ingress and egress include modifications to East Cartwright Road and the entrance to John D. Horn High School from Faithon P. Lucas, Sr., Boulevard. Proposed landscape enhancements and rod iron fencing will provide screening along the John D. Horn High School entrance and campus.

Ms. Buttram introduced applicant Seth Grubstein, President of Cypress Capital, who acknowledged Mr. Miklos, Mr. Aleman, Ms. Buttram and City Manager Cliff Keheley for their input throughout this process. He presented renderings of the development.
