Mesquite Independent School District (MISD) is proposing an 85,000 square foot expansion of Horn High School to serve as a 9th grade center. This expansion would accommodate approximately 630 students. The proposed addition is necessary due to significant new housing developments in the area including Ridge Ranch and Solterra.

A Traffic Impact Analysis and a Traffic Management Plan were completed and have been found acceptable by the Traffic Engineering Division. The Traffic Management Plan was prepared to not only address the proposed addition, but to improve existing conditions.

On September 26, 2022, the Planning and Zoning Commission voted unanimously to approve Application No. Z0722-0248, for a change in zoning from Agricultural and Planned Development - Single Family No. 3887 to Agricultural and Planned Development - Single Family No. 3887 with a Conditional Use Permit to allow a school use on the property.

Recommended/Desired Action

Following the public hearing, staff recommends approval of the ordinance.
