Receive briefing regarding the Sign Code.

The Sign Code was revised in 2005. In the years since, numerous amendments have been made to the Code. During the Pre-Meeting, Staff will provide an overview of the code, permitted sign types, improvements to the code through the years, and possible enhancements that could make the Sign Code more effective. With direction from the Council, amendments can be prepared for future adoption.

Recommended/Desired Action

As the City Council deems appropriate.
