Consideration and possible action of a request from Stream Realty Partners, on behalf of Cabot Properties, for a waiver from the commercial moratorium to submit an application for the parking of heavy load vehicles as an accessory use on property located at 1371 South Town East Boulevard.

On July 3, 2017, the City Council enacted Ordinance No. 4496, which imposed a commercial moratorium on applications pertaining to truck stops and developments including the parking of heavy load vehicles as a principal or accessory use.

The applicant is requesting a waiver from the moratorium in order to file an application for development of a trailer storage facility on a vacant 10-acre tract located at 1371 South Town East Boulevard. The tract is 930 feet from South Town East Boulevard and fronts Chase Road, the heavily industrialized connector between Skyline Drive and Forney Road.

The attached Case Summary provides further details on the pending application, the Council's rules of decision under the moratorium and the effects of granting a waiver. The City Council may authorize or deny the requested waiver, and if authorized, direct the staff to accept a completed application and process the application subject to conditions necessary to ensure that the proposed development will not cause adverse effects to the surrounding property or the City's infrastructure and to carry out the spirit and purpose of the moratorium.

The Council may deny the waiver or authorize the waiver with conditions.

Case Summary

Request for waiver from Stream Realty
