Consider a resolution to postpone the Professional Engineering Services Contract with Binkley & Barfield, Inc., for the reconstruction of Gus Thomasson Road from US Highway 80 to Town East Boulevard and encourage development of a roadway design policy.

Councilmember Robert Miklos has requested a resolution be developed to address the reconstruction project for Gus Thomasson Road from US Highway 80 to Town East Boulevard. The resolution would stop any further activity on the design contract and would direct the Council to develop a roadway design policy for future roadway construction.
