An ordinance amending the budget for Fiscal Year 2020-21 as heretofore approved by Ordinance No. 4805 of the City of Mesquite, Texas, adopted on September 21, 2020, and later amended by Ordinance No. 4846 on March 15, 2021, appropriating and setting aside the necessary funds out of the general and other revenues of the City of Mesquite for Fiscal Year 2020-21, for the maintenance and operation of various departments and activities of the City, for capital and other improvements of the City and for all other expenditures included in said second amended budget.

The Fiscal Year 2020-21 annual operating and capital budget was adopted by the City Council on September 21, 2020, and later amended on March 15, 2021, for the financial plan of operations beginning October 1, 2020, through September 30, 2021. Because changes in revenue estimates and expenditures often occur throughout the year, department heads have the authority to move funds within their departments. Amending the adopted budget to account for significant changes in revenues and expenditures is a common best practice in local government finance. The adjustments to the budget are incorporated in the Fiscal Year 2020-21 amended budget financial schedules that are attached to the proposed ordinance. A written summary of these changes to the adopted budget is also attached.
