Legislation Details (With Text)

File #:	22-6206	Version:	1	Name:	Bid 2022-150 – Annual Supply of Asphalt for Type B
Type:	Agenda Item	Status:	Passed		
File created:	9/1/2022	In control:	City Council		
On agenda:	10/3/2022	Final action:	10/3/2022		
Title:	Bid No. 2022-150 - Ratification of the Annual Contract for Supply of Asphalt for Type B. (Staff recommends ratification of the contract with Texas Materials Group Inc., dba Oldcastle Materials Texas, Inc., and TexasBit, a CRH company, for the purchase of Hot Mix Asphaltic Concrete Pavement, Type B, in an amount not to exceed \$86,445.45, through an Interlocal Cooperative Purchasing Agreement with the City of Garland. The term of the contract is for a one-year period, with two additional one-year renewal options. The City Manager is authorized to exercise the renewal options, subject to the annual appropriation of sufficient funds.)

Bid No. 2022-150 - Ratification of the Annual Contract for Supply of Asphalt for Type B.
 (Staff recommends ratification of the contract with Texas Materials Group Inc., dba Oldcastle Materials Texas, Inc., and TexasBit, a CRH company, for the purchase of Hot Mix Asphaltic Concrete Pavement, Type B, in an amount not to exceed \$86,445.45, through an Interlocal Cooperative Purchasing Agreement with the City of Garland. The term of the contract is for a one-year period, with two additional one-year renewal options. The City Manager is authorized to exercise the renewal options, subject to the annual appropriation of sufficient funds.)

Name of Department

Public Works - Streets Division

Project/Budgeted Amount

\$86,445.45

Sum of Bid/Bid Amount

\$86,445.45

This item is for ratification of the purchase of 1,372.15 tons of Hot Mix Asphaltic Concrete (HMAC) Pavement, Type B, utilizing an Interlocal Agreement with the City of Garland. The Streets Division purchased HMAC Pavement, Type B, from TexasBit in the amount of \$86,445.45. The purchase was for two projects that have been completed - asphalt overlay of (1) Faithon P. Lucas, Sr., Boulevard and (2) Berry Road. Hot Mix Asphaltic Concrete Pavement, Type B, was used as it is a stronger binder with Type D, which is a finish grade. It was discovered upon payment processing that the City's contract for Type D HMAC mix was only with TexasBit. Therefore, the City proposes to utilize the Interlocal Agreement with the City of Garland and piggyback off their contract with TexasBit for the Type B HMAC.

This proposal would allow the Street Division to purchase Hot Mix Asphaltic Concrete Pavement, Type B, as a base layer to overlay roads where there is a high volume of commercial traffic. The Streets Division has previously spent \$86,445.45 and would like to utilize the City of Garland contract moving forward for the remainder of their renewal periods.

Financial Implications

Funding has been allocated for this project from Street Preservation and Major Thoroughfares Maintenance Projects.

Recommended/Desired Action

Staff recommends ratification of the contract with Texas Materials Group Inc., dba Oldcastle Materials Texas, Inc., and TexasBit.

Drafter

Tony Douglas

Head of Department

Curt J. Cassidy, P.E., CFM
