Receive briefing regarding residential solid waste collection services.

During the Pre-Meeting, staff will present information regarding existing residential solid waste collection services provided in the City and potential changes for future consideration. This information is being provided to Council prior to the solid waste services Town Hall Meeting on January 31 when public input will be solicited. Staff will brief Council on the public input with recommendations for changes in residential solid waste service at a February Council meeting.

Staff is not seeking Council direction at this time.
