

City of Mesquite, Texas

Legislation Text

File #: 17-2652, **Version:** 1

An ordinance amending Chapter 5 of the City Code thereby adopting the 2015 Edition of the International Fuel Gas Code, effective May 15, 2017.

The Mesquite Building Standards Board met on November 29, 2016, and voted to recommend that the City Council adopt the International Code Council (ICC) 2015 Edition of the International Fuel Gas Code, with amendments.

The substantive amendments were reviewed and recommended for adoption by an advisory committee of the North Central Texas Council of Governments and conform to building practice within the region. Many of the local amendments are carried over from the City's adopted fuel gas code, which is based on the ICC 2009 Edition.

Staff recommends adoption of the proposed ordinance.
