Legislation Text

File #: 17-2736, **Version:** 1

Receive briefing regarding the status of the Thomasson Square Project.

During the Pre-Meeting, staff will provide Council with information on the construction and financial status of the Thomasson Square Project along with a discussion on specific project features such as roundabouts and parallel on-street parking. The discussion will include financial impacts caused by changes to the current project design.

Staff will seek Council direction on whether to continue the project as currently designed or modify select project features.
