Legislation Text

File #: 17-2747, **Version:** 1

Receive briefing regarding the Sign Code.

The Sign Code was revised in 2005 as a result of a legal challenge. During the Pre-Meeting, Staff will provide an overview of the code, permitted sign types, improvements to the code through the years, and possible enhancements that could make the Sign Code more effective at maintaining community appearance. With direction from the Council, amendments can be prepared for future adoption.

As the City Council deems appropriate.
