Consider appointment of one regular member and one alternate member to the Board of Adjustment for terms to expire January 1, 2019, and January 1, 2018, respectively, who will also serve on the Automated Traffic Signal Enforcement Advisory Committee, and one reserve alternate member to the Board of Adjustment for a term to expire January 1, 2019.

There is currently one vacancy for a reserve alternate position and with the recent resignation of John Robinson, there is also one vacancy for a regular member.

The Board of Adjustment is charged with the responsibility for hearing requests for variances, special exceptions and appeals from staff interpretations of the Zoning Ordinance. The Board members, with the exception of the reserve alternate members, serve concurrently as members of the Automated Traffic Signal Enforcement Advisory Committee, which advises the Council on matters pertaining to the placement of red light cameras.
