Recognize City Engineers in conjunction with National Engineers Week.

The National Society of Professional Engineers has designated February 18 - 24, 2018, as National Engineers Week.

The celebratory week draws attention to the importance of professional engineering for roads, infrastructure, water/sewer, traffic signalization and more.

In regards to the many Public Works projects currently underway and those being planned, we would like recognize City of Mesquite Engineers for their efforts with a special program.
