In the past, the bid for Annual Supply of Tires was prepared for all brands of tires stocked in inventory within one bid document. The bid results typically ended up split between three vendors in relation to the various brands of tires needed. The contracts would have different expiration and renewal dates and made it very difficult for contract renewals. Beginning last year, staff now bids the annual supply of tires by brand of tire using cooperative purchasing contracts when available.

Staff has identified Wingfoot Tire d/b/a Goodyear Tire and Rubber Company for Goodyear, Dunlop and BF Goodrich auto, truck and industrial tires, through Buyboard Contract No. 553-18, for the best pricing on these tires.

Financial Implications

Funding is available in the FY 17-18 annual budget in the Warehouse Division of Finance. Purchase of tires is facilitated by Warehouse operations through the inventory system.

Recommended/Desired Action

Staff recommends award to Wingfoot Tire d/b/a Goodyear Tire and Rubber Company.
