Recognize Addressing Mesquite Day Platinum Level Sponsors.

Addressing Mesquite Day is an important community service event in which volunteers come together to serve neighbors who do not have either the financial or physical wherewithal to take care of their homes. Volunteers graciously give of their time on Addressing Mesquite Day to repair sheds, paint houses, build accessibility ramps, remove debris and tackle many other exterior property maintenance projects. The work done not only improves appearances, but also restores pride in homes and neighborhoods.

The transformations that occur on Addressing Mesquite Day would not be possible without the support of generous community donors. This year, three organizations agreed to serve as platinum level sponsors of Addressing Mesquite Day, committing at least \$5,000 in funding for the event.
