A resolution supporting the Mesquite - Garland Trail Connector Project as nominated in the North Central Texas Council of Governments 2019 Transportation Alternatives Set-Aside Program.

The North Central Texas Council of Governments (NCTCOG) announced a Call for Projects under the Transportation Alternatives Program (TAP). This program provides funding for a variety of alternative transportation projects including on- and off-road pedestrian and bicycle facilities. TAP typically funds 80 percent of a project construction costs and the project sponsor is required to provide a 20 percent match plus the costs of design.

The City supports the Mesquite - Garland Trail Connector Project as nominated in the NCTCOG 2019 Transportation Alternatives Set-Aside Program. This resolution will authorize matching funds, if a project is selected and authorized.

### **Recommended/Desired Action**

Staff recommends approval of the resolution and submittal of the project. If the project is selected, funding would be provided by either 4B Sales Tax or CO Bond Proceeds.
