Presentation of donation to the Mesquite Veterans Memorial by Operation Forever Free.

Operation Forever Free will present a \$15,000 donation to the Mesquite Veterans Memorial project. Sean Terry, Centurion American Chief Operating Officer, will make the presentation.

The mission of Operation Forever Free is to improve the lives of returning servicemen and women in the Dallas/Fort Worth area by providing comfortable, customized homes and living assistance suited to each person's individual needs.

In 2004, the owner of Centurion American Development Group was moved to give back to the community's men and women in uniform after a moving halftime ceremony for veterans at a Dallas Cowboys game. Other dedicated Centurion employees decided to use their expertise and experience in homebuilding and construction to form Operation Forever Free, a 501 (c)(3) nonprofit that remodels existing and builds new homes for returning veterans.
